VI. REPORTS

THE REPORT OF THE COMMITTEE ON ACCEPTED SUPPLIES

The Conference Committee on Accepted Supply Ministers submits the following report on Supply Work during the Conference Year 1950-51.

According to the reports received from the District Superintendents, there are 257 Supply Ministers serving in the West Virginia Conference. Of the number the committee received reports from 221 of them, leaving only 46 not reporting. Those that reported are serving 925 preaching points on the circuits that they serve. They reported 889 revivals held, 7317 conversions effected and 4657 members received into their churches. We of the committee felt it an interesting statistical figure to realize that the lives of these men represent a total of 2086 years of service as men supplying a stop-gap in the man power deficiency in the ranks of the Methodist Ministry. Their record stands in evidence of the vital place they are supplying in doing our Father's business.

REPORT OF ADVANCE FOR CHRIST AND HIS CHURCH

We, your Conference Committee on the Advance for Christ and His Church are happy to submit the following report.

1. Reports show that the action program of the Advance has brought 800,000 new members into our churches in the last two years. With special conference-wide evangelistic campaigns planned, such as those promoted by Bishop Wicke and Board of Evangelism last fall and winter in the Erie and Pittsburgh Conferences and such as the one to be conducted in our own Conference this fall, we have reasonable assurance that we will reach our goal of 2,000,000 new members during the quadrennium. Church school enrollment has been increased more than 300,000. An average of one new church a day is being established and hundreds of once abandoned churches are being brought to life.

2. The total remittances for Advance Specials during the quadrennium amount to:

Total amount received from Week of Dedication\$ 2,569,327.00

Total receipts for quadrennium on Advance

Specials 7,910,770.00

Total World Service Receipts 21,744,274.00

To get the total picture of Methodist Missions

at work we should include the more than

\$20,000,000 that the women of the W.S.C.S.

have raised 20,146,375.00

Thus, during the quadrennium our great church

has given toward building the Kingdom of

God and promoting practical Christianity

in the world\$52,870,747.00

Our Conference has paid \$237,000 on the Advance. Three-fourths of our quadrennium has gone, but there is still time for most of our churches to raise their part of the money asked for in this great church-wide Advance. Many have said their churches are geared to pay this cause in *full* this year.

This \$237,000 has been remitted to the Chicago office. All money that was "directed" by the local churches has gone promptly to the designated projects.

3. BOARD OF REVIEW. At the Advance for Christ Mass Meeting held October 20, 1949 at Christ Church, Charleston the Conference Committee on Advance elected a Board of Review. This Board of Review has received and reviewed all requests made by the District Superintendents and has authorized payments according to its ability. It has also made certain transfers of grants within districts upon the recommendation, in each case, of the superintendent of that district.

4. THIRD PHASE. We have completed two of the major emphasis in

the "Preaching and Teaching" phase of the Advance, namely, "Our Faith" and "Our Church". We are now in the third emphasis, "Our Ministry".

Our stricken world lays heavy burdens upon young men and women who face the problem of what to do with their lives. They are eager for guidance. The bishops, including our own presiding bishop, are holding "Bishops Conference for Young Men".

Attendances reported show that from 100 to 150 young men are brought to these one day or week-end conferences where they are given guidance and inspiration.

The phenomenal increase in membership and the unprecedented establishment of new churches create an alarming situation. It is estimated that next year we will have 3,000 more churches than we have pastors. We need 1,200 recruits for the ministry each year to hold our own. The number of graduates from theological schools has increased from 800 to 1,000 toward the goal of 1,200 annually.

5. **FOURTH PHASE.** The fourth phase of our Advance for Christ is "Our Mission". One major emphasis in the action program at this point is the National Methodist Conference on Family Life to be held in Chicago, October 12 to 14, 1951.

The main purpose of this Conference will be the "Cultivation of Spiritual Life in the Family". Four thousand delegates, mostly young couples under 45 are expected to attend. Keynote talks will be made by Dr. Alexander J. Stoddard and Bishop Oxnam on subjects, "The Influence of Today's World on the Family" and "Christian Living Today's Need". These representative young couples attending will be informed, inspired and partially trained to return to their communities and lead the church in a larger commitment to Christian Family Living.

"We must save the family or we lose the nation". Attractive folders have been sent to all the pastors.

The progress made in every phase of the Advance under our District Superintendents, and pastors has been impressive. In some ways it has exceeded expectation.

Let us move forward in 1951-1952 with greater *Faith* in our *Churches* and *Ministry* to worthily fulfill our *Mission* for Christ and the world.

FRANCIS ASBURY EDUCATIONAL FUND

The Board of Trustees of the Francis Asbury Educational Fund is pleased to report that our work in providing some financial assistance to ministerial and other full time Christian workers is gradually expanding.

During the past conference year we have made loans to 23 students amounting to \$4,450. Some applications were rejected because of the fact that the applicants were receiving more money from charges being served, or from other sources than allowed according to the regulations agreed on at the last conference session.

Since the last annual report, our board has received from Student Day offering \$3,998.46. This is a gratifying response on the part of the pastors and churches. Yet, we feel that more attention should be given to the matter, because the offerings on this day are our only means of building up the fund.

The Board proposes to continue to operate according to the procedure as adopted last annual conference. Yet, we feel that for a matter of clarification that in section 5 the last sentence be placed by itself and be made as separate section namely: "Exceptions shall be made by the Executive Committee in clearly recognized emergency cases only." Also, a correction in section 9 in regard to the regulation concerning married students. That section should read: "or if married more than \$1,500.00." The Board of Trustees recommends:

1. That we continue to observe Student Recognition Day as Methodist Student Day also and that 75% of the offering received be applied to the Francis Asbury Educational Fund.
2. That the appointment by the cabinet of a Francis Asbury Educational Fund secretary for each district be continued.
3. That the maximum loan allowed for one school year be \$250.00 while in college and \$175.00 while in seminary.
4. That all applications received after August 15 in any one year will be eligible only for second semester help to the amount of one half that allowed for the full school year. And applications received after January 1, in any year will be held for approval in August for the coming school year.
5. That S. A. F. Wagner, A. D. Belcher and H. G. Humphries be re-elected as trustees for the term expiring 1954.

June 4, 1951.

I have examined the records of the West Virginia Conference Methodist Brotherhood and find that the above report agrees with the books. One correction should be noted, however. On May 28, 1951, the day of the report, a check in the amount of \$10.00 was returned by the bank because of not sufficient funds. This reduces the Balance on Hand (Twentieth Street Bank) to \$1,775.30.

No attempt was made to audit the individual accounts of the members in order to verify the amounts paid and outstanding on calls.

Respectfully submitted,

LELAND THORNBURG,

Public Accountant.

COMMISSION ON CHRISTIAN VOCATIONS

The Sacredness of All Useful Work

"A man's vocation should be a means by which he grows in character and by which he glorifies his Creator. Accordingly you should scrutinize any occupation carefully in order to see that it is one that will help you to build character". "Kitson in I Find My Vocation."

Choosing a vocation is a long-life-time process. It seems that young people during the ages of 16-21 years choose their profession more than other ages. They are vitally concerned about a successful and happy life which they know a vocation can bring. They are eager for guidance. We should prepare to give them intelligent Christian guidance for their life. They are concerned about the needs of the world and the Church.

All useful work may be called sacred. It should measure up to qualifications which would make it Christian. The Interboard Committee on Christian Vocations lists five things by which we may judge a profession or occupation:

Does it meet real human need?

Is it morally constructive and helpful?

Does it call for the full use of one's talents?

Does it build fellowship?

Does the worker respond to the conviction that God calls one to serve?

All of our Church people need to be thoroughly acquainted with these standards. Every Christian should be engaged in a Christian Vocation.

In addition to this, the Church has a special responsibility for enlisting choice young men and women for leadership in the Church and its agencies. The personnel needed for the Methodist Church is tremendous. This year it will need 1,250 ministers, 2,700 doctors, nurses, technicians, social workers, 275 over seas missionaries, 250 home missionaries, and 400 Christian educators.

Board of Ministerial Training

"The Christian minister is the most needed person in our world disorder." (Methodist Service Projects 1951 - p. 30).

From the booklet "New Ministers by Ralph Felton" in recent surveys of ministerial students of factors which influence men to enter the ministry the Pastor rated the highest with 34%. The mother rated second with 17.4% and the father third with 11.2%.

What a responsibility this places on our Methodist Ministers. In the survey of Factor's "Which Tend to Retard Men for The Ministry" lack of Bible knowledge and a feeling of unworthiness rated the highest with 32.1%, and lack of counseling or guidance second with 19.5%. The same books states that for the first time in the history of America that the rural church is failing to produce its share of ministers. (p. 26).

Board of Hospitals and Homes

Personnel for this board represents one of the greatest needs of our church. This year and for the next ten years 2,700 persons yearly will be needed. Types of vocation of their work are physicians, nurses (graduate, Aides and Practical), dietitians, medical technologists, X-Ray technicians, nurse anesthetists, physical therapy technicians, occupational therapy technicians, medical record librarians, social workers, home economic workers, secretaries and maintenance men. In the United States there are 189 Methodist hospitals and homes affiliated with the Board of Hospitals and Homes of the Methodist Church. Yearly they need 2,500 new nurses. The Methodist Hospital Schools of nursing have a capacity for 6,409 and the total number of student nurses enrolled in 1950 were 5,875.

Board of Missions and Church Extension

The three year service projects under the Board of Missions and Church Extension offers to Methodist youth opportunities to render worthy service for the church. Acquaint your young people with these opportunities. Applicants must be single men and women between the ages of 21 and 25 years. They must be graduates of recognized colleges and active member of the Methodist Church. Support on the field will be on the regular missionary basis which averages \$1,000 for a single person, provision for housing, medical care and a share in the board's pension plan. This year fifty men and women are called for Africa. Their support will be \$1,200 plus the other advantages mentioned. There will be an extensive training in July and August. The group will sail the latter part of August.

Replacement for the three year service for India and Pakistan will be sent during the summer of '51.

Attention is called to the two-year service plan for the United States. Teachers for mission schools, workers for community centers, and day nurseries, nurses for hospitals, schools and clinics and workers for rural and city projects are needed. A period of training will be given in the late summer. In Alaska, Hawaii and Puerto Rico the term will be three years instead of two.

Board of Christian Education

Attention is again called to the 400 Christian Educators for this year and for the next four years. The type of service under the Board of Education calls for "dynamic personality, outstanding talent, versatility, creative ability, culture, and the art of getting along with people. Sincere consecration and devotion to the cause of Christ is the basic need of the one rendering service. Adequate education is essential. Vocations for this board are directors of Christian Education, educational assistants, conference directors of children's work, youth work, and positions in our colleges and universities. The 160 Wesley Foundations need certain student and professional workers for year to year.

The Short Term Service Projects done by volunteer service afford young people of high school and college an opportunity to help select a life's vocation. They are an outstanding way of rendering service. Local churches should help qualified young people participate in such work as the Fellowship Teams, Youth Caravans, World Peace Teams, Summer Camps in Kentucky, Mexico, Cuba, San Antonio, Los Angeles and Iowa. A summer experience with one of these projects may be the avenue which will bring peace, joy and blessing to youth, the church and the world.

The varieties of vocations mentioned in this report show the many differing types of service into which young people today may enter.

The Conference Commission is trying to acquaint the youth of West Virginia with these and other needs of the church through their youth programs in the district, conference and local church. Mention should be made of the outstanding work being done at West Virginia Wesleyan College for Christian and Church Vocations. Through the summer activities of the Methodist Church program vocational guidance was stressed. Courses on Christian Vocations was taught at the assemblies.

The Moorefield District presented Christian Vocations as a part of the on going Church program this year.

The Commission on Christian Vocations has met three times this year. An effort has been made to keep in contact with young people who are registered with the Commission. Interested young people continue to request being listed as prospective candidates for service.

To each pastor and adult counselor we recommend "Counseling for Church Vocations" by Harold W. Ewing as a good guide. Also a copy of the 1951 Methodist Service Projects should be in every pastor's possession. Interested young people should also have a copy. It comes free of charge from The Interboard Committee on Christian Vocations from Nashville 2, Tenn.

The following films are recommended for all young people to see: Crossroads, Church Vocations, It's Your Life, and Finding Your Life's Work.

BOARD OF EDUCATION

The Board of Education of the West Virginia Conference is happy to report many significant advances in all phases of Christian Education during the present Conference Year.

Many persons have been responsible for these advances. The Board of Education of the West Virginia Conference is very appreciative of Bishop Lloyd C. Wicke, of the District Superintendents, and every Minister and Layman of the West Virginia Conference, for the splendid support the cause of Christian Education has enjoyed.

To Dr. Glenn W. Stewart, who for three years has given outstanding direction to the cause of Education of the West Virginia Conference, we desire to express our deep appreciation. We welcome Dr. Alfred E. Bennett as the newly-elected President of the Board of Education, and Mr. Kenneth Shaffer as the newly-elected Vice-President of the Board of Education. Under the leadership of these two outstanding leaders, we are sure the cause of Christian Education will continue to advance.

West Virginia Wesleyan College continues to serve West Virginia Methodism. Although the enrollment has dropped considerably during the present national crisis, we feel that the administration has performed admirably in keeping the enrollment at its present figure. If, however, the enrollment continues to drop, the West Virginia Annual Conference will need to give added financial support in a measure to compensate for the lack of student income. At West Virginia Wesleyan College the budget is dependent entirely too much on student support. Of the total budget at West Virginia Wesleyan College, the amount realized from general and educational income is 87.2%. While the average for all Methodist colleges is 65%. On the other hand, the general endowment income at West Virginia Wesleyan College represents 3.4% of the total income while in other Methodist colleges this income represents 18.3% of the total income. Still further, in the matter of gifts, including conference apportionments, etc., at West Virginia Wesleyan College this amount represents 9.3% of the total income, while the average at other Methodist colleges is 16.7%. West Virginia Wesleyan College must have additional funds from the West Virginia Annual Conference if it is to function effectively. It is our only Methodist College in West Virginia and is fully accredited by the various accrediting agencies. In addition, West Virginia Wesleyan College is training more than '90 ministerial students, along with 25 others who will be in full-time vocational work in the employment of the Church.

Regarding the Capital Funds Campaign which is still in progress at West Virginia Wesleyan College, the amount of \$516,431.13 has been realized in cash and pledges. Of this total amount, \$236,015.50 is in cash. The campaign continues in a splendid way.

The reports from the observance of College Day are not yet available. From the request for materials for College Day, there is every evidence that the largest number of churches ever observing College Day will do so this year. However, the amount of money received on College Day has shown a decline for the past two years. It is most important that members of the West Virginia Conference face up to the need for College Day as a day when the cause of higher Christian Education is lifted up and an offering received, which offering is divided 50% for the Department of Religion of Morris Harvey College, and 50% for West Virginia Wesleyan College. In addition to the ministerial students and other persons in full-time vocational work in the employment of the church mentioned above at West Vir-

ginia Wesleyan College, the Department of Religion of Morris Harvey College, an independent Charleston college, is training a large number of ministerial students and other full-time vocational workers who will be employed in the Church. This work is very important to the on-going of the West Virginia Conference and should receive the support of the Conference through a wider observance of College Day.

A very significant work is being done with the 2,000 Methodist Students at West Virginia University by the Wesley Foundation. This Foundation is seeking to provide opportunities for church participation for these pupils who are away from home. Dr. T. LeRoy Hooper, Director of the Foundation, and Mr. Joseph Johnston, Associate Director of the Foundation, are serving the Methodist students at West Virginia University in a very splendid way. A very capable Board of Trustees administers the work of the Wesley Foundation at Morgantown. Many have said that the physical facilities used by Wesley Foundation constitute the finest Student Center anywhere in America. The Foundation provides a full program for the Methodist students at West Virginia University.

The committee to investigate the possibility of the employment of a Student Worker at Marshall College and of an organization of a Wesley Foundation or Methodist Student Movement at other State Colleges continues to investigate the possibilities. Several suggestions have been made, but no report will be made until the next session of the Annual Conference.

The program of leadership education continues to be one of the main emphasis in the work of the Board of Education. To date 132 schools have been held, reaching 4,286 pupils with 3,019 persons receiving credit. These figures represent both First and Series Leadership Education Schools, both Denominational and Interdenominational schools, both Cooperative and Local Church Schools, both Credit and Non-Credit schools. However, the West Virginia Conference still faces a great need in the matter of training church school workers for more effective teaching. In addition to the above, a number of Seminars for teachers have been held. One Laboratory School for Children's Workers was held with a splendid response on the part of the Children's Workers.

In the field of Adult Work, the main emphasis this year has been upon the training of Adult Teachers. Several Workshops and Seminars were held in this field. The response was most gratifying. Seven new Subdistricts of Young Adult Work were formed. The work of organizing these sub-districts will continue and by the next session of the Annual Conference it is the hope of your Board of Education that every sub-district may be organized for Adult Work. A splendid program has been arranged for the Young Adult Conference to be held at West Virginia Wesleyan College, June 21-24, 1951. New conference officers for the West Virginia Conference Young Adult Fellowship will be elected and installed at that time.

In the field of Youth Work, a complete summer program has been planned. One Older Youth Assembly, three Senior Assemblies, eleven District Christian Adventure Camps, ten Christian Life Camps, and five Local Church Camps have been provided for the summer season. Two Youth Caravans will serve in the West Virginia Conference this year, reaching a total of fourteen churches. Eight young people from the West Virginia Conference will serve on Youth Caravans with two adults serving as Youth Caravan Counselors. More than \$14,000 has been pledged to the Methodist Youth Fund. On such a pledge we will receive a little more than \$15,000. The Youth Sub-Districts continue to minister to the needs of the young people of our conference. New officers of the West Virginia Conference Methodist Youth Fellowship will be elected at the assemblies, and they will be installed on the last day of the Older Youth Conference, July 14, 1951. Splendid Workshops were held this year in four areas of youth work, namely, Fellowship Teams, Evangelism and Worship, Community Service and Missions, and Recreation. A Methodist State Student Conference was held at Jackson's Mill with 126 college youth and their leaders representing every College in West Virginia except one. Newly elected officers of the West Virginia State Student Movement were installed at the final session of the Conference. The statistical report of the staff of the West Virginia Conference Board of Education reveals an unusually active year in the field of Student Work.

The Board of Education through its Youth Director and Executive Secretary is working with the Commission on Christian Vocations in the matter of keeping adequate lists of those who have made decisions for full-time vocational work in the employment of the Church and in the matter of the Conference on Christian Vocations to be held in August at West Virginia Wesleyan College. Weekend Institutes for Seniors and Older Youth, and One-Day Institutes for Intermediates were held in practically all of the Sub-Districts this year. A large number of Youth Activities Weeks were held in the various Churches of the Conference.

The West Virginia Conference continues to lead the Church in the number of Vacation Church Schools held. Last summer 676 Vacation Church Schools were held, directed by 6,438 workers and serving 39,863 pupils. Three Church School Extension workers from West Virginia Wesleyan College served in twenty-one Vacation Church Schools in the Conference. West Virginia Wesleyan College is making available the same number of students for this work this year. The Conference-wide Laboratory Children's Workers School will be held in connection with the Pastor's, Woman's Society of Christian Service and Christian Worker's School, July 16-21, 1951. An outstanding program has been arranged. The Conference Director of Children's Work is planning for a number of District Children's Workers Camps and Retreats for this summer. New members continue to enroll in the Fellowship of Study, these persons making good use of the books in the library of the Conference Board of Education. The Conference Staff expects to give special emphasis in the matter of Children's

Workers Laboratory Schools and to the matter of Week-Day religious instruction this coming year.

We are happy to report that the use of Methodist literature is continuing to increase. We feel that the local churches realize that Methodist literature is the finest literature available today and almost every week we have a report in the conference office that some church has discontinued the use of other literature and is now using Methodist literature. The conference staff continues to visit the local churches, having made 283 visits to local churches this year, along with a number of visits to District Conventions, County Councils, West Virginia Council of Churches, and other Interdenominational Agencies. Your staff has assisted eleven Deputation Teams of 55 persons from West Virginia Wesleyan College, who are doing significant work in the local churches around Buckhannon. The Board of Education is cooperating in the pre-Family Life Conference Study Committee and will direct promotion in the West Virginia Conference of the conference to be held in Chicago in October. Rural work continues to be one of the major emphasis of the Board of Education. Cooperation with other Boards is also a feature of the work of the Board of Education.

Your Board of Education is gratified to report that offerings on Special Days, with the exception of College Day, continue to increase.

Space does not permit the listing of all of these statistics of the Board of Education, but in the matter of the promotion of General Church School Work we are particularly anxious to give complete statistics. Below is a statistical analysis of the church schools in West Virginia in 1944 compared to the year 1949, which is the last twelve month year that we have to use as comparative figures:

Recommendations for Colleges

join with churches of other denominations in lifting up the importance of the cause of Higher Christian Education. No special offering for colleges is recommended on this day.

2. That College Day be observed on the third Sunday in September, which this year will be September 16, 1951. That such an observance shall be with an offering received on that day to be divided 50% to the Department of Religion of Morris Harvey College and 50% to West Virginia Wesleyan College.

3. That all monies collected by charges on College Day be sent to the Bank of Milton, Treasurer, Milton, W. Va.

Recommendations for Local Church Section

1. That we earnestly seek to promote a wider observance of Rally Day, our goal being Rally Day to be observed in every Church with an offering sent to the Conference Treasurer. That we set as a minimum goal for Rally Day the amount of \$5,000 to be raised on this special day.

2. That Student Day be observed with the understanding that the offering is to be set up in a budget to be divided as follows: 75% to the Francis Asbury Education Fund of the West Virginia Conference, 25% to the General Board of Education, Department of Student Loans and Scholarships. We recommend that the observance of Student Day be held on the Sunday following Christmas. Student Day will thus be observed with a three-fold purpose: Recognition of College and University Students home for vacation; lifting up the cause of Higher Christian education; and for the receiving of an offering to be used as listed above.

3. That at least two Youth Caravans be used in our conference this year.

4. That Race Relations Day be observed in each local church with an offering for that cause, and that the offering from the West Virginia Conference be designated for Morristown College, Morristown, Tennessee.

5. That we make an effort this year to encourage each local Church to observe the fourth Sunday as World Service Sunday with an offering sent to the Bank of Milton, Treasurer. The specific goal for this year is ten Church Schools in each District observing World Service Sunday, which church schools have not observed it in the past.

6. That we continue to hold at least three Senior Assemblies and one Older Youth assembly.

7. That we urge the use of Methodist literature in all of our church schools.

8. That we continue the publication of "The Christian Education Bulletin".

9. That we continue to give our support to the Methodist State Student Movement Conference held annually at Jackson's Mill.

10. That the fifth Sunday be observed in the church schools of the West Virginia Conference as Hospitals and Homes Sunday with an appropriate program and an offering received to be sent to the Bank of Milton, Treasurer, designated "Hospitals and Homes Offering".

11. That the same type of Vacation Church School Coaching Conference be held this year as last year.

12. That we join with other Denominations in a vigorous promotion of Week-Day Religious Education of children.

13. That we continue to hold the Young Adult Conference. Further that we give approval to contributions to the Young Adult Fund which will supply limited funds for the operation of the West Virginia Conference Young Adult Fellowship.

14. That the Board of Education continue to investigate the possibility of a Conference Camp Site.

15. That we cooperate with the West Virginia Council of Churches in the promotion and holding of a Social Action Seminar this year, if possible.

16. That we take every means to encourage the improvement of the quality of teaching being done in our Adult Bible Classes.

DISTRICT SUPERINTENDENT'S REPORT

1950-51

Bishop Wicke, members of the West Virginia Annual Conference.

It is with a sense of humility that we bring this report to you. And there are two reasons for this feeling.

1. The writer of this report has been a member of this conference for twenty-five years and this is the first time that he has read a report, or has joined in any discussion before the Annual Conference. And his failure to do so has in no way deterred the progress of the conference.

2. The writer of this report is fully aware that if all the reports written by men called Methodists were compiled that the world itself could not contain them. So one more report will in no way effect the voluminous record. Therefore, we bring to you the composite report of the district superintendents.

We frequently refer to our church as the leading protestant church of the world, and rightly so, we think. More power to her as she seeks to unveil the hidden mystery of God's love for a lost world, bringing deliverance to the captives and opening the eyes of the blind. But in order that we may better see how to deliver the captives and to open the eyes of the blind, let us be sure there is not a beam in our own eye.

The West Virginia Annual Conference paid one hundred and fifty-nine preachers (based on twelve months salary) the enormous salary of \$1500.00 per year for the conference year which ended in June 1950. The days of miracles are by no means over when a Methodist preacher can support himself, his family and operate a car for \$1500.00 a year. We are very familiar with the story we so often hear when trying to get churches to raise the minister's salary, "THIS ISN'T ALL WE DO FOR OUR PREACHER" and we understand exactly what some of these stories mean, especially about annual conference time. Ninety-two other preachers received more than \$1500.00 but not over \$2000.00. Therefore, two hundred and fifty-one preachers received a salary less than many of the janitors in our churches received.

Viewed in the light of present day prices for food, raiment and the other necessities of life we wonder were the spirit of brotherhood lies. Let us not think of ourselves so highly until this mark of indifference which is so manifest among our churches be entirely erased from our record.

The pastor is not a hired servant, waiting to run errands for his congregation. He is a leader, called not by men, but of God, to direct the thinking of the church toward the great task of bringing in the Kingdom of Christ upon the earth. To that end his leadership should be directed without the worries of material need.

There are those whose material sufficiency prompts them to act with great indifference toward the minister's salary. But these same individuals demand that their pastor be a man of great ability, a forceful speaker, possessing a dynamic personality, able to lead the youth and comfort the aged, and to keep the middle aged unspotted from the world. He must never grow old because the annuity which he and the church provides is (\$60.00) sixty dollars per month. He can't afford to grow in years for if he does his salary of \$1500.00 or \$1800.00 will stop, and a younger man takes over to battle the same problems which caused the old preacher to lay down his arms and accept the crown of \$60.00 per month. A Methodist layman was showing a farm animal which he had recently purchased for \$5000.00 to his pastor. How much did you pay for him enquired the pastor. Five thousand dollars and he is worth every cent of it was the layman's reply. Later some one asked how much this layman gave to his church. Fifty dollars per year was the answer. Five thousand dollars for an animal and fifty dollars for a Methodist preacher. This may sound a bit ironic, but nevertheless, it is a fair example of some of the problems which we face in trying to convince the church that the pastor is not working for money.

We believe that the church is well able to meet the needs of the active ministry and to better care for those whose active work is done. Why should any pastor receive less than \$2400.00 per year? Why should our retired men suffer want at the hands of a church that has plenty and enough to spare. Let us remove the beam from our eyes and we shall clearly see that a pastor whether great or small is worth as much to the community as any other man living there.

The conference is to be commended for its giving to World Service and Conference Benevolences during the quadrennium. Having given more than we were asked to give. But after we have given more than we were asked for the world is not evangelized. Other religions are bidding for the masses, the world is in a state of turmoil. Billions of dollars are being spent for political and economical purposes. If our FAITH is what we would have others to believe it to be there will be no limits which we shall establish in the matter of World Service promotion. Yes we must go the second and perhaps the third mile of the way. If freedom is to be the lot of the people upon the earth then the Gospel must be carried around the world. We believe the only sure way to stop Communism is to challenge the world with something better than Communism has to offer. This something is found not in Democracy alone, but in a Christian Democracy where the cross of Christ is lifted above selfish ambitions. One of the ways in which we may all have a share in lifting this Cross is through World Service giving.

Let us look at the picture here at home. Here in these West Virginia hills. Here where we think of a great conference representing a great church. It should give us great concern that less than one

third of the people in West Virginia are connected with any church. The two thirds of the people who are unchurched have the same anxieties and fears we have. They have established their homes and are rearing their families without the direct influence of the church upon their lives and the lives of their children. Bishop Wicke is to be commended for the marvelous way in which he has gone out to harness the strength of the church and to put it to work in the field of evangelism. We must evangelize these unchurched people. They are our responsibility. When we concentrate our efforts in September and October there ought to be thousands brought into the church. It is very inspiring to think of two hundred and ten thousand Methodists in West Virginia but perhaps that figure should be doubled. May we really make this year one of **ADVANCE** for **CHRIST** and His church.

We have tried to list a few of the interests which we think deserves our immediate attention. What will you do with them? What will you do about your pastor's salary? What will you do to make life a bit more pleasant for our retired men? What will you do with World Service and Conference Benevolences? What will you do about the unchurched in West Virginia? Upon our answer and response to these interests the answer to the question, "**WHAT WILL YE DO WITH CHRIST**" will be found.

Respectfully submitted,
District Superintendents of
The Methodist Church
West Virginia Annual Conference

COMMITTEE ON CONFERENCE ENTERTAINMENT

The Conference Entertainment Committee recommends that the following policy be established:

That all retired ministers who are not serving a church and ministers without charges coming for admission of ordination be allowed \$15.00 each for their expenses in attending the Conference Sessions.

We recommend that the place for next session of the Annual Conference be left in the hands of the Committee. We recommend that the Committee give consideration to the plan of rotating the place of entertainment for the Conference if possible.

REPORT NO. 1 OF THE BOARD OF EVANGELISM

Christian evangelism has always been at the very heart of the Methodist program of action since the very beginning of this great religious movement. But, in the face of present world crisis, this need has never been greater than it is today. We feel that Christian evangelism is the answer to the critical situation confronting the human race today. That answer is the forgiving grace and love of God revealed in Jesus Christ, our Lord. This is the need of every individual as well as the whole of society. America has been placed in a strategic position of leadership in political and economical affairs

of the world, and it is the responsibility of the church to assume a like place of leadership and guide all mankind back to a vital faith in God and to the principles of right living. In order to discharge this world-wide responsibility, it will be necessary to set our own house in order, that we might lead all mankind to a vital experience of genuine Christian faith. Our own nation with its corruption, gambling and immorality in high places, needs a great stirring revival of the gospel of our loving Lord and Saviour to bring honesty and clean living to our homes, our political life and our economic system.

Your Conference Board of Evangelism is proud of the splendid record made in our conference in the past few years in this great cause so dear to the heart of our Lord. We have led the entire North-eastern Jurisdiction and have been among one of the top conferences of all Methodism in the number of people won to Christ and His church. We are deeply grateful for the splendid cooperation and wise leadership so freely offered by each of our District Superintendents in the various other boards that are working together for the up-building of God's Kingdom. We have been able to meet the required number asked by the General Board of Evangelism in the first years in the Advance for Christ and His Church. The year ahead, however, offers us one of the greatest challenges we have ever faced, and to meet this challenge successfully will require more effort and a deeper consecration on the part of all ministers and laymen than we have ever shown before. The goal of one person won to Christ for every twelve active members will be no easy task but certainly not an impossible one if we take seriously the command of Christ to go into all the World and make disciples for His cause.

For some years now, your Conference Board has been planning, hoping and praying that the West Virginia Conference would promote one Conference-Wide Evangelistic Movement. That dream has become a reality and we are preparing this year for one of the greatest evangelistic movements ever promoted in the West Virginia Conference. Many of our ministers participated in similar evangelistic movements held in other areas of the Northeastern Jurisdiction the past year. The experience they gained by sharing in these movements will be a great asset in bringing success to our own Conference-Wide Movement. Dr. John W. Hollister, District Superintendent in the Charleston District, has been selected by the area cabinet to direct the Pittsburgh area evangelistic mission in the West Virginia Conference this coming year. We will also have the assistance of a member of the General Board of Evangelism, who will help us in setting up the machinery and for the promotion of the program in every charge within the bounds of the West Virginia Conference. We hope that each minister will start immediately to make plans and prepare their people for this great undertaking, because advance preparation has been the key to the success of each of these movements in other conferences. Our success or failure will depend largely on the amount of preparation we are willing to make before the time set for the intensive campaign.

Last year the West Virginia Conference showed seventy charges reporting no accessions on professions of faith during the entire twelve-month period. We sincerely urge all district committees on evangelism to give special study to these charges and give whatever assistance they possibly can in order that we might have every charge and church reporting at least one addition on profession of faith in our conference.

Another very apparent need of our church is a serious study of the large number of inactive members reported each year throughout Methodism. This number of inactive members was increased in the past decade from approximately 600,000 to about 1,700,000. During this same period, the total number of active members increased only about 250,000. To combat this falling away we must realize that while evangelism is basic, it is not an end in itself. We must win people but not leave them. We must win, teach, train, and guide every new convert into the Christian way of thought, feeling and action. In order to help each pastor with this very serious problem, the General Board of Evangelism has added a new department under the leadership of Dr. G. Ernest Thomas. He has provided, through tidings, a spiritual life evangelism chart, together with other very helpful literature that should be in the hands of every member of the committee on membership and evangelism of the local church.

During the past year, courses and workshops of evangelism were offered in all three youth assemblies and one week-end institute. Also, courses in Evangelism and Spiritual Life Retreat, were held in connection with our Pastor's, Women's Society of Christian Service, and Christian Workers School. This past year was one of the most inspiring and helpful of any of the ones held in past years. This year we are looking forward to an even greater experience in this school. Dr. W. E. Craig, District Superintendent of the Fairmont District, will teach the course on Christian Evangelism; and Dr. John W. Hollister will direct a workshop in Evangelism in connection with the Spiritual Life Retreat that will be held each afternoon during this week of the school.

In view of the fact that we will soon be entering into our Conference-Wide Evangelistic Program, we urge all of our pastors to attend and encourage at least one layman from each pastoral charge to enroll in this school.

Recommendations:

For The District

1. That each district committee on evangelism start immediately in making the district plan for our Conference-Wide Evangelistic Movement.
2. That district retreats for ministers and laymen be held during the summer months for the purpose of deepening the spiritual life of all those who will participate in the evangelistic program.

3. That a study be made of all charges that reported no additions on profession of faith during the past year and that definite plans be made to help such charges during the coming year.

4. That a definite program be worked out for the assimilation of all persons received into the church during our conference campaign.

For the Local Church

1. That every organization of the local church give special emphasis to the cause of evangelism during the entire year.

2. That each church set as a minimum one person won to Christ for each twelve active members reported on the church roll, as their goal for this year of the advance program.

3. That each pastor adhere strictly to the discipline in securing evangelistic help on his charge.

4. That full advantage be taken of all special days and seasons such as First World Communion Sunday, Christmas, Easter, Pentecost and Family Week.

5. That full use of all literature now being made available by the General Board of Evangelism be made in each local church.

6. The Conference Board of Evangelism recommends that W. E. Keenan be appointed as Conference Secretary of Evangelism for the year 1951-1952.

Respectfully submitted,

W. E. KEENAN,

Conference Secretary of
Evangelism

HISTORICAL SOCIETY

TO THE WEST VIRGINIA ANNUAL CONFERENCE:

We believe there are in West Virginia many things of historic value to the members of the Methodist Church, but your trustees have made no effort to collect such things for the reason that we had no fireproof or safe place to store them. However, the Trustees of West Virginia Wesleyan College promised to set apart for our use a fireproof room in the contemplated library building. That building is now in the course of construction, and a suitable room will soon be available for our use.

To acquire some of these historic things will require money to purchase them. We do not have any money and the Conference should take some action to provide necessary funds.

We trust that each member of the Conference will consider himself a special committee to look for and try to secure the possession of anything that has any historic value to the Methodist Church.

For several years the Conference has adopted our request that both the district superintendents and the several pastors secure the writing of the history of the Churches of their districts, or individual circuits or stations, but little or no attention has been given to the matter.

Therefore, on the first day of September, 1950, I wrote and mailed to each of the 500 pastors as follows:

"Dear Brother:

The Methodist Historical Society of our Conference has been trying for several years to get the history of every Methodist Church in the Conference written, and printed or typed.

If the history of the Church, or Churches, on your charge or circuit, has not been written, won't you please get some suitable person to write it before our next Conference?

There is in most every community some person who has and can give some very desirable historical information that will be lost forever when they are gone.

Please promptly answer the questions on the attached post card and mail it to me.

Cordially yours,

HARVEY W. HARMER,
President, Methodist Historical
Society"

Yes No

Has a history of the Church or
Churches you are now serving been
written?

If not, will you undertake to have a
suitable person write the history
before our next Conference?

Will you send me, for the Society, a
copy when printed or typed?

----- Pastor."

As of this date only 158 of the 500 pastors have answered and mailed the return card. Of this number 33 pastors reported their Church history had been written and the other 125 answered "Yes" to the last two questions. I am not advised how many of these have kept their promise.

We are sorry that those who would be most benefited by securing the writing of the history of the Churches they are serving have failed to show any interest.

Under the By-Laws of the Methodist Historical Society the Conference each year elects three trustees for the term of four years. Those whose terms expire with this Conference are: Reverend O. G. Snodgrass, Reverend L. E. Bee, Dr. O. D. Lambert.

Respectfully submitted,

HARVEY W. HARMER,
President, Methodist Historical
Society

REPORT OF THE BOARD OF HOSPITALS AND HOMES

Bishop Wicke, members of the Conference and Christian friends:

The following statement appeared in our report to this body in the fall of 1949:

"There is a reservoir of Christian conscience, conviction and good-will, concerning the various phases of the work assigned to this Board, that is constantly seeking to flow forth in the form of offers of property, offerings of supplies, bequests and even in such a fine showing on the almost uncultivated gifts and fifth Sunday offerings. However, there is no one who has the time, experience or official standing to see that this voluntary stream of helpfulness has a chance to flow through the channels of Christian service as represented by this Methodist Conference and these more than sixteen hundred local churches."

We gladly report that the response to our first efforts at cultivation have demonstrated that the first sentence in the above statement was correct.

Also the fact that our Board, with the cooperation of Bishop Wicke, and our faithful District Superintendents, were called upon to spend considerable time and some money investigating offers of property this year is another proof we may present.

Another testimony in which so many of you pastors, church school superintendents and other members of this body cooperated, is furnished by the Conference treasurer in the following statement from Mr. B. Ball:

Bank of Milton, Conference Treasurer
By B. Ball

By building up this fund the day is coming closer when the West Virginia Conference will be able to secure a central sight for an effective child welfare agency, a much needed home for the aged and, we trust, a health center and hospital. Without this growing fund we seemingly could do nothing.

Still another testimony of the accuracy of the prophecy is offered today in the report of Rev. Harry S. Myerly who with his good wife has so faithfully pioneered in one phase of the work of this Conference. His conscientious service during the past two years will be reflected in the report which he now brings to us.

THE METHODIST CHILDREN'S HOME, BURLINGTON, WEST VIRGINIA.

This year has been a period of transition and many changes; changes in the lives of children, supervision, workers, policy, program and physical equipment. Due to lack of available personnel it was necessary for the Superintendent and his wife to move into the Children's Home, August 28, 1950, to give a more detailed study of the needs of the home and more understanding supervision.

Thirteen of the sixteen children who were residing in the Home when we received the agency, December 8, 1949, have either gone back to their homes or have been placed in foster homes according to their agreements with the former agency. The other three are being adjusted thus: one is visiting at this time in a home that is likely to be his home by adoption, the other two are to return to their father about June 15th. These changes have been natural and normal according to agreements.

Sixty-two children have been presented to us for consideration during the period of time we have been in service. Thirty-three were presented before May 31, 1950 and twenty-nine have been presented the present conference year. All of these cases have been considered to the best of our understanding of their needs. Ways and means have been found outside of the Children's Home to take care of most of the cases. Sixteen applications have been asked for. Ten applications were returned with the necessary information and were accepted by the Committee on Admissions. Three have been admitted and are receiving care in the Home. The other seven may be admitted as soon as satisfactory agreements are in order. Four applications asked for have not been returned. No person has been denied an inquiry, counsel or application. No application when returned in proper form has been refused. The needs of the sixty-two children plus the sixteen children received with the agency totals seventy-eight whose needs

have been considered in a detailed manner during the eighteen months of service, which is a rapid turn-over in child care.

Thirty-one inquiries for the Adoption of Children were received and counsel offered. During the past three months two inquiries for boys six and eleven years of age were received for adoption, but at the time there was no possibility for adoption. After counsel with a parent and a guardian revealing the fact that these were opportunities of a lifetime for each of the boys, at the present time the possibility of adoption for each of the boys seems a reality.

Thirteen children have been cared for in the Home during the year.

After twelve months of work, counsel, study, changes and adjustments and an expenditure of Five Thousand Dollars, plus, to comply with the recommendations of the State Department of Health and State Fire Marshal's office, we received a Regular License, December 21, 1950, to conduct a Child Caring Agency. The following statements were enclosed with the License: "Upon examining the most recent report of the Methodist Children's Home, the State Licensing Board was pleased with the changes which had occurred over such a short period of time. The Board extends its hearty compliments for the job accomplished, in the light of the challenge presented when the agency was absorbed by the West Virginia Conference of the Methodist Church. Enclosed you will find a regular license issued for the continuation of your services to children. In view of your organization being in the embryonic stage the Board will entertain a watchful eye on the progress made in the coming months."

The Superintendent has presented the work of the Home in 18 District and Sub-District Meetings and 38 local Churches. Thirteen visits have been made to distant sections of the conference to counsel about the needs of children. Twelve counsels have been held in distant parts of the conference with persons interested in the future of the Home.

OPEN HOUSE WEEK was held July 10-15, 1950 with 270 persons visiting the Home. 754 persons have visited the Home since May 15, 1950.

We desire to express our appreciation to our many friends and organizations in the Churches for the contributions of cash, food, supplies, clothing and personal gifts to the children and the home.

DONATIONS:

- 1,230 cans of Fruit and Vegetables
- 142 Packages of Miscellaneous Foods
- 15 Cartons of Candy and Fruits
- 73 Cartons Games, toys, and personal gifts to the children and the Home
- 16 Gallons of interior paint

HARRY S. MYERLY,
Superintendent

The following Recommendations are submitted by Action of your
Board.

1. That we reaffirm our 21 point program for the gradual de-
velopment of the work of this Board as found on pages 108-9 of the
Conference Minutes for 1949. And that we insert in this outline of

action the words "delinquent children" wherever we have mentioned our possible service to dependent children.

2. That we further develop our child welfare program as represented in the Methodist Children's Home and the work of the Conference representative on the field.

3. That to achieve this we now put the emphasis upon field work in order that the home may serve more and more needy children and that both dependent and delinquent children all over the state may have the sympathy and fatherly helping hand of this great Methodist Conference.

4. That we renew our Conference action of last year granting the Board the right to secure strategic property with funds now or then available. Provided, however, that the Board agrees not to exercise this privilege between sessions of the Annual Conference except after consulting the Resident Bishop and the Conference Cabinet and securing the approval of the Bishop and a majority of the Superintendents.

5. We recommend that the Annual Conference approve the budget just presented for the Methodist Children's Home.

6. We commend the faithful service of the Rev. Harry S. Myerly during the first two strategic years of our Children's project.

7. That we enlarge the Board of Trustees of the Children's Home to a possible fifteen members.

8. That we set as a goal for this year that all churches cooperate in the Fifth Sunday offerings and remitting the amounts to the Conference treasurer.

9. That we appropriate (as last year) from the Fifth Sunday offering fund the sum of \$9,000.00 or such part of the sum as may be necessary, for the support of the 1951-52 budget of the Methodist Children's Home.

10. * That we also (as last year) authorize the Board to use such amounts from its current and reserve funds as may be deemed necessary by action of the Board for carrying forward the work and to gradually achieve the objectives as set forth in our agreed upon 21 point program.

11. That we cooperate with other boards of the Conference, by appropriating to the following projects:

\$150.00 to the West Virginia Conference on Christian Vocations.

\$300.00 to help send W. Va. delegates to the vocational Methodist Rural Church Conference.

\$300.00 to send representatives to National Methodist Conference on Family Life.

We now present Mr. Chester J. Compton, Chairman of the Board of Trustees of the Methodist Children's Home, that he may submit the nominations for the Board of Trustees and make a statement from a joint meeting of the Conference Board and the Trustees of The Children's Home:

**RECOMMENDATIONS OF THE BOARD OF TRUSTEES OF THE

**Statement of Chester J. Compton, President of Board of Trustees of the
Methodist Children's Home:**

A RESOLUTION CONCERNING THE STEWARDSHIP OF
THE REVEREND MR. HARRY S. MYERLY, SUPERINTENDENT
OF THE METHODIST CHILDREN'S HOME.

(Presented at the 1951 Session of the West Virginia Conference
of the Methodist Church.)

BE IT RESOLVED:

In consideration of the fact that—

The Reverend Mr. Harry S. Myerly has served this West Virginia
Conference of the Methodist Church as Superintendent of The Metho-
dist Children's Home at Burlington, West Virginia since this Home
was accepted by this Conference at its annual session in September,
1949 —

And —

In consideration of the fact that —

The Reverend Mr. Myerly accepted this position with great faith,
although he had not previously had training in the field of Child Care,
and at the insistence of this Conference
and —

In consideration of the fact that —

The Reverend Mr. Myerly, with the faithful assistance and in-
spiration of his wife, Minnie Myerly, has rendered a great service to
this Conference both in the "field," bringing information concerning
the Home to the people of the West Virginia Conference and counsel-
ing with many people concerning the welfare of the many children
who were directed to his attention — and at the Home, caring for
and giving guidance to the children, while, at the same time using
his every effort to manage the many details necessary to make the
many improvements to the physical makeup of THE HOME, such
as the sanitary, sleeping, recreational, food preparation, lighting and
heating facilities necessary to the health and comfort of the children.
as well as the general appearance of the building —

NOW BE IT FURTHER RESOLVED:

That this West Virginia Conference of the Methodist Church,
meeting in its Annual Session of 1951, does hereby express its sincere
and deepest appreciation to the Reverend Mr. Harry S. Myerly and
his wife, Mrs. Minnie Myerly, for their unselfish and untiring service
in this period of preparation and adjustment to a Child Welfare Pro-
gram in this Conference. At the same time we make this expression
of our appreciation, we pray that the Lord's richest blessing will be
upon both of them as they continue their work in the Master's
vineyard.

ADOPTED THIS 8th DAY OF JUNE 1951.

**PROGRAM FOR LAY ACTIVITIES
1951 - 1952**

We, your Committee on Program for the Board of Lay Activities, after careful consideration, take just pride in the presentation of our Program for 1951 - 1952.

World Service

We recommend and will support an educational plan whereby our laymen will be better posted on how each dollar given to Methodist World Service is divided among its eleven agencies, which accomplishes the work done by this department. A plan given where the members of our Church will be informed on each of the eleven agencies.

We recommend that more emphasis be given to the publicity of our Church Schools for the fourth Sunday offerings as the World Service Offerings, and each Church School Superintendent will see that each teacher be given literature from this department to place in the hands of their members on each of the fourth Sundays. We maintain that better informed Church Schools will increase its offerings materially.

We shall endorse any plan adopted by our leaders to advance World Service giving.

Day of Commitment

Our organization indorses the widest possible observance of the Day of Commitment.

Reports show a larger number of Churches observe the day than heretofore. We urge that all Ministers observe this day fearlessly and refuse to compromise with any plan other than that adopted by our Church. Our organization indorses the widest possible observance of the Day of Commitment.

Christian Stewardship

We feel that the future of our Church is essentially linked with the principle of Christian Stewardship.

Tithing has long been treated as an institution of the Church and applicable to Church men only. Tithing has proved it works wherever tried, and tithing will fill the benevolence treasures. It will abolish money-raising devices; it will free our Laymen for other tasks in our Churches. Therefore, our organization indorses the plan and will use our means to encourage each of our Laymen to adopt it as their plan.

Recognizing that Stewardship should be the whole of life, we recommend that all Laymen of the Church not only give of their means for the advancement of the Work of the Lord but also give of their time and talent as well, each to the extent of his ability.

Methodist Laymen's Magazine and Other Periodicals

It being the wishes of the General Board of Lay Activities and our Conference Board of Lay Activities, each local Church order a copy of the Methodist Laymen for each member of the Board of Stewards or Official Boards. We also urge that each Layman in the Local Church receive a copy of the Methodist Layman.

We would urge our Churches to use more liberally the Upper Room and that each local group of Methodist men see that all Shut-ins receive a copy, and to place a copy in each guest room of our Hotels. We suggest to those in charge of distributing the Upper Room, that on one Sunday out of each month each worshipper, upon entering the Sanctuary be greeted by a Layman representing the Literature committee and presented with a copy of the Upper Room, in which a small coin envelope will be placed, to be used for the payment of the Upper Room when the usher receives the morning offering. Our recommendation is for the purpose of getting the Upper Room in most of the homes in our parish.

We urge each Methodist men's organization to accept the responsibility of placing an Upper Room in all Hospitals, and so arrange it that when each patient is comfortably located, a copy of the Upper Room will be given to them.

We recommend that all Churches send regularly the Upper Room and other Church literature and Church news to the men in military service.

Laymen's Sunday

We propose that Laymen's Sunday be observed one hundred percent the coming year and that the program of our General Board of Lay Activities be followed as nearly as possible. The entire program should be in the care of our Laymen and we urge more Laymen to participate in making up the program in our local Churches. Our materials and other helps in making this day a success will be supplied by your General Board of Lay Activities. We also urge, if possible, that no other emphasis be placed on Laymen's Day so that it may be reserved exclusively for that purpose.

Methodist Men's Organizations

Especially do we urge all of our Churches to give the men this organization which is so badly needed. Every Church having such a Methodist Men's Movement is urged to have that organization become affiliated with the Methodist Men by organizing their group according to the new plan. We suggest that Churches not organized under the new plan write the General Board of Lay Activities Department of Methodist Men, #740 Rush Street, Chicago 11, Illinois, for the Officer's Planning Packet. We urge that each group build their program around themes suggested for 1951-52 by our General Board of Lay Activities. We call attention to our Methodist Men's Organization—that they keep their annual obligations paid, as we cannot afford to minimize the importance of keeping our charters renewed.

We urge the General Board of Lay Activities to discontinue its practice of expiring charters of Methodist Men after one year, but merely to require the payment of an annual membership fee of each such organization after a charter has been granted.

Evangelism

We urge that our Churches continue the plan of Home Visitation Evangelism for the enlisting of our people. We especially request our Laymen to organize themselves in the Two and Two plan to visit all of the unsaved in our Church area, thereby not waiting for the great host to come to Church but to go after them where they are. This was our Master's plan so it challenges us to follow Him.

We heartily indorse the visitation of Evangelism Campaigns that have been planned by our Churches for the Fall of this year, and urge all Laymen to assist in the work enthusiastically.

Men's Institute

We urge more emphasis be given to attract our Laymen's Institute held annually at Jackson Mill. We feel that the fellowship and inspiration received here is well worth the time and effort given.

We recommend the date for the next Institute at Jackson Mill be set as May, 1952.

Week of Dedication

Reports from the districts of our conference show it is evident our people have accepted the Week of Dedication as one of their weeks of high accomplishment.

Therefore, we urge our Laymen to enter into the Week of Dedication by a full or re-commitment of their lives and to handle themselves in a sacrificial way by making gifts of self, service and substance.

Recommendation

We recommend a more liberal use of the Christian Advocate for reporting activities of the Methodist men and that arrangements be made so that these reports can be sent direct to the Chicago office.

Our Pledge of Loyalty

We pledge our support to Bishop Lloyd C. Wicke and the District Superintendents in the promotion of the program of the Advance for Christ and His Church.

We further pledge our loyalty to the Clergy of our Churches.

We prayerfully dedicate our lives by making a full commitment to our Christ that we may be a fit vessel to His Cause for Righteousness,

We further pledge our lives to the achievement of every goal set by our Church.

RESOLUTIONS OF RESPECT W. FOSS CURTIS

*"I cannot say, and I will not say
That he is dead, He is just away!
With a cheery smile and a waive of the hand,
He has wandered into an unknown land,
And left us dreaming how very fair
It needs must be, since he lingers there.
And you—oh, you, who the wildest yearn
For the old time step and the glad return—
Think of him faring on, as dear
In the love of There as the love of Here;
And loyal still, as he gave the blows
Of his warrior strength to his country's foes—
Mild and gentle, as he was brave,
When the sweetest love of his life he gave
To simple things; where the violets grow
Pure as the eyes they were likened to,
The touches of his hands have strayed
As reverently as his lips have prayed;
When the little brown thrush that harshly chirred
Was dear to him as the mocking-bird;
And he pitied as much as a man in pain
A writhing honey-bee wet with rain
Think of him still as the same, I say:
He is not dead—he is just—away!"*

—James Whitcomb Riley

So could one aptly describe the character and passing of our beloved Conference Lay Leader, W. Foss Curtis, who passed to his heavenly reward on February 20, 1951. He was born at Osborn Mill, W. Va., on May 15, 1894.

Brother Curtis was elected Conference Lay Leader of the West Virginia Conference at its annual session, which met in the City of Huntington in September 1941, which position of leadership he held until the time of his death.

He was truly a great churchman and gave unstintedly of his time, talents and influence to the building of the Kingdom. He was a son of the church, his father being a Methodist Circuit Rider. He was an active Boy Scout Leader, chairman of the official board of his own church, the Simpson Methodist of Moundsville, W. Va., a trustee of West Virginia Wesleyan College, from which institution he graduated in 1918. His wise counsel and faithful service as a trustee was an inspiration to those with whom he worked. He served as a supply

pastor at different times since his ordination as a Local Preacher, his home church, the McMechen Church and the Moundsville Circuit.

He was a member of the 1944 and 1948 General Conferences and of the 1940, 1944 and 1948 Jurisdictional Conferences. He was elected a member of the General Board of Lay Activities at the Jurisdictional Conferences which met at Ocean City in 1944 and served the church in that important capacity until his death. His leadership in the Lay Work and his great ability as a speaker was widely recognized and he was often invited to make addresses in other conferences. His public addresses were forceful, challenging, and permeated with a living faith.

He rose to an important place in the business world, holding the high position of technical director of the Fostoria Glass Company. His ability as a chemist was widely recognized by the leaders of the glass industry.

His was a dynamic personality, a truly great leader, a lover of mankind, a devoted servant of God. To know him was to love him. His capacity for friendship drew men to him and bound them with the loving cords of christian brotherhood. Because of his vital christian experience he radiated an influence for good that can only be measured by the great Father of mankind.

We of this Laymen's Institute, which bears so vitally the marks of his building, feel keenly our loss, but let us not feel that he is dead, rather may our hearts feel the living influence of his warm heart and the inspiration of his great spirit.

*"Servant of God, well done!
Thy glorious war-fare past;
The battle's fought, the race is won,
And thou art crowned at last."*

And now, be it resolved that we express to his widow, Mrs. Elva Curtis, his brothers and sisters and their families our deep sympathy and pray that the consolations of the Great Companion may bring them comfort and cheer. Be it further resolved that a copy of these resolutions be mailed to his widow, a copy spread upon the minutes of the Board of Lay Activities of this Conference and to the secretary of the West Virginia Annual Conference.

METHODIST INFORMATION

The present public relations program to provide "Methodist Information", in the West Virginia Conference, was launched at a Press Relations Seminar at Pittsburgh, Pennsylvania, Nov. 21-22, 1950.

News as prepared for the four-page monthly supplement in the Christian Advocate, appeared first in December 1950. This phase of the program is well known to Advocate readers.

The District Reporters have co-operated splendidly, and some of them have attained marked success. Using the data and articles sent in by these fine spirited men, plus information from other sources, a number of news articles have been sent to reach the readers of the public press. A total of 62 such stories were mailed. It is impossible to know exactly how much of this material actually appeared in a daily and/or weekly newspaper. Yet we do have news clippings and other information which shows that the two Huntington papers used 170 column inches, and that another 2,015 column inches appeared in newspapers in other parts of the conference.

With the assistance of Mr. E. E. Meredith, a Methodist layman of Fairmont, W. Va., some of the Methodist Information articles appeared in the following eleven papers: Viz;—

The West Virginian and The Times, of Fairmont; The News and The Telegram of Clarksburg; The Jefferson Republican; The Salem Herald; The Randolph Review; The Ritchie Gazette; The Sentinel of Parkersburg; The Shinnston News; The Preston County Journal of Kingwood. There may have been other papers, which used the material, so we wish to express thanks to Mr. Meredith and to all of these and other papers, which have assisted in printing Methodist Information.

Thirty other articles were sent to seven religious publications or religious press agencies. We know that over 125 column inches of this material appeared in print. We are grateful for this assistance.

Information from the District Reporters shows that 105 news articles went to the public press in eight of the districts, and that 2,360 column inches of news did appear in print. These eight men sent another 31 stories to the Conference Education Bulletin, which printed no less than 385 column inches.

These facts reveal that a total of 159 articles went to the public press, which used 2,600 column inches, and 61 articles went to The Christian Education Bulletin and other religious publications, which printed over 500 column inches. Thus a grand total of 228 news stories from 9 of us, resulted in 3,255 column inches of news appeared for the readers.

With sincere thanks to all who have assisted in this program and especially to the District Reporters and the public press throughout the state, and to the Christian Advocate and the Conference Education Bulletin, we are,

Sincerely yours,

NAT G. BARNHART.

SECTION I
BOARD OF MISSIONS AND CHURCH EXTENSION
WEST VIRGINIA CONFERENCE

The Board of Missions and Church Extension is pleased to submit to the Conference a report of its work for the year now ending. We have attempted to fulfill the responsibilities assigned our board according to the best of our strength and ability. Sensing that we are your agents in the great and challenging field of missions and church extension, we have tried to be good stewards of this trust and have sought to take advantage of every opportunity to extend the long arm of the Church into every part of our conference. The limitations of time, ability, and funds have curtailed the rapidity of our work, but in spite of this we have pressed forward steadily.

Since the year of unification there has been a sense of urgency and an increased demand made upon the Board of Missions. This was the natural result of a growing vision on the part of our ministers and people as to the tremendous possibilities for the establishment of new congregations in the conference, and the strengthening of those already in existence. Knowing that the challenge could not be adequately met by ministers already overloaded with local church responsibilities, in September, 1947, the Board of Missions recommended, and the conference approved, the assignment of a full-time executive secretary to promote this work. This was four years ago, and was accepted with considerable reservation on the part of many of our ministers. The Rev. R. Moorman Parker was appointed to this position. We are happy to report that his work has been highly satisfactory in every way, and in some respects has even exceeded our expectation. Opposition to this office has disappeared, and these four years have proven the worth-whileness of such a field executive.

Mr. Parker's work, always under the direction of the Executive Committee of the Board of Missions, and with the approval and co-operation of the district superintendents involved, falls into certain carefully defined categories. These are: assisting district superintendents with the surveying of mission opportunities and the establishment of new congregations; direct building fund campaigns for new churches, educational buildings, remodeling programs, and debt requirements; the teaching of finance methods in training schools and conference; and giving aid to local churches in architectural guidance, every-member canvass plans, and such other miscellaneous counsel as seems to fall in the general field of missions.

We are pleased to report that during the past three years, in forty-two campaigns, our executive secretary has raised the amazing sum of \$1,250,000. in cash and pledges, for building projects. A large number of other churches are listed for this service in the months ahead.

In addition to serving as representative of the General Board of Missions and Church Extension, and promoting the interest of missions in the eleven districts of the conference, this board disburses

funds for three major purposes: church extension, maintenance aid, and minimum salary funds.

Although our available funds for church extension are very limited, and always fall far short of being sufficient to satisfy the large number of requests for aid, our church extension section has assisted a total of twelve churches with their building problems this conference year in the amount of \$15,040.86. We regret that there is not more money available to assist churches in this important work.

At the recommendation of the district superintendents, and with the approval of the annual conference, we have provided maintenance aid for a total of seventy-eight charges in the amount of \$15,116.67. In addition to this amount the Section of Home Missions, of the General Board of Missions and Church Extension, has provided maintenance aid amounting to \$7,533.83.

Shortly after this conference adopted plans for a Sustentation Fund, now more correctly known as the Minimum Salary Fund, the Board of Missions was asked to assume the responsibility for its administration. This we have tried to do according to the provisions of the plan, and with the co-operation of the district superintendents. During the past conference year a total of 80 claimants have been eligible to draw upon this fund in the amount of \$23,820.50. This fund is an expression of Christian Brotherhood and we sincerely urge ministers and churches alike to pay their percentage in full so that this work may continue.

Our hearty appreciation is hereby expressed to all who have shared in any measure the responsibilities of this board. To our ministers and laymen, to the members of this board and its officers, to the executive secretary, the conference missionary secretary, the district missionary secretaries, and the members of the Woman's Society of Christian Service, we give thanks and gratitude. The loyalty and devotion of this company to The Methodist Church and its program has been well proven.

The following pages contain detailed reports from the various sections and officers of our board. In the name of the Christ who said, "Go ye into all the world and preach the gospel," and of the founder of Methodism who declared, "The world is my parish," we earnestly seek the encouragement of your prayers and support in the promotion of this great work of The Methodist Church.

Signed:

JAMES CLAIR JARVIS, President
Conference Board of Missions and
Church Extension.

WOMAN'S SOCIETY OF CHRISTIAN SERVICE

As we go into the last year of the Quadrennium it is interesting that the emphasis for our organization changes from that of the group to that of the individual under the theme, "The Advance — My Concern". This past year each society has visited another society sharing ideas and encouraging the work. This coming year we work as individuals, each one seeking another to enlist their interest and membership. The group visitation this past year has been a great blessing, we look forward to the rich reward of this personal appeal.

The Christian Workers School held at West Virginia Wesleyan College last July 17-21 had the largest enrollment of women it ever has had and a fine spirit prevailed throughout.

Under the direction of the Study and Action Committee of the Conference a Seminar was conducted in each District during September. Total number attending 2248; Conference Officers 26; District Officers 119 and Ministers 109.

The fall meeting of the Conference Board of Trustees; Administrative Committee and Executive Committee was held in St. Paul's Methodist Church, Oakland, Maryland, October 11, 12 and 13. The work was carefully reviewed and plans made by all the officers present.

In November, Miss Marguerete Bugby, Missionary on furlough from India, made an itinerary through seven Districts where she was warmly received. Also, in November the Conference sent the President, Mrs. John, as a delegate to a United Nations Seminar held in New York where much valuable information was received and many interesting contacts made.

The Spring Meeting of the Conference Board of Trustees, Administrative Committee and Executive Committee was held in First Methodist Church, Buckhannon, West Virginia, April 4, 5 and 6. Due to the illness of the Conference President the Vice President, Mrs. W. H. Carr, of Bluefield presided and the meeting was good in every way. A guest during the whole session was Mrs. Wgner of the North Central Jurisdiction who is a Field Worker for the Woman's Division.

During April the Spring itinerary was conducted throughout the Conference. Under the direction of the Conference Promotion Secretary the two guests, Mrs. Wgner and Miss Sarah Locke, Missionary on furlough from Brazil, visited in every District. These meetings were marked in most instances by the largest attendance ever recorded at a District Meeting.

As the first National Convocation for Deaconesses was held in Kansas City in April the West Virginia Conference released from duties the three deaconesses serving in our state under the Woman's

Division so they could attend this meeting and subsidized each one in the sum of \$15.00 on their travel expense.

Our statistical report is as follows:

Number of Societies March 1, 1950	738
Number of Societies March 1, 1951	772
New Societies	34
Number of Wesleyan Service Guilds	68
Total Membership of Woman's Society of Christian Service and Wesleyan Service Guild	34,018
Number of Unorganized Circuits	90
Number of Unorganized Churches	660

Respectfully submitted,

MRS. B. W. JOHN, President
Woman's Society of Christian
Service
West Virginia Conference

SECTION III

CONFERENCE MISSIONARY SECRETARY

At the beginning of the Conference year, 1950-51, a new program of Missionary education and cultivation was inaugurated. I am happy to report that it has been accepted with favor and enthusiasm throughout the Conference. The hearing ear has been multiplied many times. The program has not only been carried into each of the eleven districts, but sub-districts and 95 local churches, large and small.

Five Missionaries and one native Indian have been used to bring a fresh and thrilling story of the Kingdom's growth from four of our mission fields. They were the Rev. H. S. Gladstone of India, Rev. Geo. B. Workman of China, Rev. Tracy Jones of China, Rev. M. O. Burkholder of Korea, Rev. H. H. Berkman of China, and the Rev. A. V. Klaus of Sumatra. To these men we are greatly indebted for a job well done.

We owe our deepest gratitude to the General Board of Missions and Church Extension for making these men available to our West Virginia Conference. Without this enthusiastic support the program could never have been realized.

The program has been more than self-supporting. We have not found it necessary to draw one dollar from the fund allocated as a working capital. But we are happy to report that the Conference has been given credit, through ten districts, for \$1448.22 to be applied on the Advance for Christ. Truly, the year has been one of adventure and Advance in Missionary education and cultivation.

The job is not finished. We propose a similar program for the Conference year 1951-52, with the following schedule by Districts:

Bluefield District	August 26th—Sept. 5th.
Beckley District	July 5th—13th.
Lewisburg District	July 15th—22nd.
Charleston District	July 23rd—Aug. 1st.
Huntington District	August 2nd—14th.
Central District	August 15th—24th.
Buckhannon District	June 24th—July 4th.
Parkersburg District	October 22nd—30th.
Fairmont District	October 31st—Nov. 9th.
Moorefield District	November 11th—20th.
Wheeling District	Nov. 21st—30th.

Three men have already been secured, by our General Board, for this missionary education and cultivation in our conference. They are: the Rev. Samuel Rahator, now studying as a Crusade Scholar at Drew University; the Rev. J. F. Minnis of the Bombay Conference, and the Rev. Douglas P. Coole of China.

Now entering the fourth year of the Advance for Christ, we urge the payment of all Advance for Christ pledges by May of 1952.

We recommend that November 1-15, 1951, be the period when we call upon all Pastors, Churches, and Woman's Society of Christian Service to promote the World Outlook to secure subscriptions.

CARDEN A. HILLMAN,
Conference Missionary Secretary

SECTION IV

REPORT OF EXECUTIVE SECRETARY

In addition to the regular apportioning of funds which heretofore has been the main function of your Board of Missions and Church Extension, we have for the past three years, through the Executive Secretary, tried to do the following things. These have been done under the leadership or with the approval of the District Superintendent and pastor in each case.

1. Assist the Superintendents in promoting new Church Extension projects.
 - (1.) By consulting with new groups or churches which were contemplating building programs.
 - (2.) By taking an architect to the project, thus affording free architectural advice from the inception of the building idea.
 - (3.) Visiting church contemplating fund raising campaigns.
 - (4.) Directing building fund campaigns:
 - a. For new Churches
 - b. For new educational buildings

- c. For remodeling for purpose of creating additional space
- d. For debt retirement (one case)
- 2. Teaching courses in church finance at Christian Workers School and Teacher Training Schools.
- 3. Promote church budget income through promotion of Loyalty Dinner Plan. This is a tested every-member canvass plan.

To date we have been engaged in 42 church extension projects which involved building fund raising programs. In these 42 church extension projects, the Board of Missions has helped raise \$1,250,000 in the local situations involved. Twenty extension projects are on the waiting list in various degrees of activation.

Our Board asked that the Office of Executive Secretary be created in order that we could fill the vacuum spots in our state. We felt that if three or four projects were developed each year, it would be a profitable effort.

We soon found that many churches and church schools were so limited in their facilities that they could not take care of the community that was crowding in around them. We found in many cases that helping small established churches take care of the influx of new people was a very real type of missionary work. When, for instance, you increase the facilities of a church that was formerly rural but is now suburban, to take care of say 260 instead of 50 and you have the 260 before you even start your fund raising campaign, one can readily see that this is a very high type of missionary expansion.

Or when a small outmoded frame church building is the only church of any denomination and an \$80,000 adequate plant is erected, we feel that this is fine missionary promotion.

Each of the following extension projects is a dramatic situation promoted this year. I wish time and space would permit some fuller explanation. A thumbnail report on each will have to suffice. The figure at end of each item is the amount raised in cash and pledges.

- 1. Greenview—A. J. Young, pastor—New Educational Building to house a Church School which has grown from 50 to 264—(\$23,000).
- 2. White Sulphur—Alvin C. Young, pastor—A larger and adequate new educational building to replace the one destroyed by fire—(\$33,395).
- 3. Rupert—Robert G. Henson, pastor—For the first unit of a complete plant to replace a 30x40 frame church which has had an average Church School attendance of 125. Community growing—(\$22,000).

4. Williamsburg—J. Q. Geiger, pastor—Toward replacing an old parsonage (75 years old) with a new house with modern facilities—(\$6,500).
5. Summersville—A. F. Gregory, pastor—To liquidate the final indebtedness of \$18,000 on a new \$68,000 Church Plant—(\$19,000).
6. Grace, Bluefield—pastor—Rev. J. F. B. Yoak, Jr.—Remodeling required church services be moved to High School auditorium. Remodeling requirements jumped from an anticipated expenditure of \$16,000 (cash in hand) to \$61,000 for all requirements. On a goal of \$45,000—(\$48,000).
7. Hemphill—Frank A. Johnson, pastor—A survey showed that of 1500 people in this community only 14% belonged to any church. No church in immediate community. A goal of \$12,000 was set with which to build basement and cover sub-floor, to make building useable as a temporary church—(\$13,000).
8. Matewan—W. A. Lynch, pastor—A new educational building at an estimated cost of \$40,000 to take care of growing need—(\$49,000).
9. Keyser—L. A. Steele, pastor—For additional building, remodeling the present building, and lifting roof on one section to provide all needed educational facilities—(\$40,330).
10. Vincent Memorial—Carl Johnson, pastor—A frame church in edge of Clarksburg that was so crowded that one class of 23 was meeting in the kitchen. For new educational building—(\$30,000).
11. Pineville—Samuel A. Harford, pastor—For retiring debt of \$45,000 on a beautiful new church plant with adequate educational facilities—(\$44,000).
12. Oceana—Arnold Belcher, pastor—Toward finishing the complete new church plant which is already built to sub-floor and being used currently as a multi-purpose room—(\$25,000).
13. Beckley Temple—L. D. Roe, pastor—For a new boy scout headquarters, girl scout headquarters, and youth department created out of a sub-basement—(\$25,000).
14. Ninth Avenue—Charles W. Ambrose, pastor—For a new educational plant to take care of a badly over-crowded church school. Goal \$40,000—(\$40,000).

It is with humble thanks to Almighty God that I submit the foregoing report.

Respectfully,

R. MOORMAN PARKER,
Executive Secretary

By action of the Annual Conference, we are supposed to carry a balance large enough to care for the next conference year. We will achieve that goal by next year if all churches and pastors will pay the 1% apportionment. We regret that the payments to claimants

cannot be larger, but they cannot be increased until we have the full support of everyone. All of us preach brotherhood and fellowship—the minimum salary plan enables us to have a “practicing belief” in brotherhood, and makes it possible for our church to provide spiritual resources for low-income groups in every isolated corner of our Conference.

B. W. JOHN, Chairman

GARRETT H. EVANS, Secretary

(B) REPORT OF THE SECTION ON SUSTENTATION

By action of the 1950 Session of the Annual Conference, the Section of Sustentation shall hereinafter be known as The Minimum Salary Fund Committee. We recommend that the same general rules as were used for the administration of the Sustentation Fund shall apply to the Minimum Salary Fund. (The Minimum Salary Plan is described in paragraph 806 of the Discipline.) These rules and regulations are as follows:

1. The minimum salary scale:
 - A. For pastors on trial or in full connection \$1500.00
 - B. For accepted supplies \$1200.00
 - C. No beneficiary may receive more than \$ 300.00
 - D. In addition to the above, \$100.00 will be allowed for each dependent child under sixteen years of age, except that the payments for dependents shall not exceed \$300.00.
2. In figuring the salary on the report made to this committee, there shall be included supplementary aid from other sources, such as travel or office expense allowed by the church, and money received from either the Conference or General Board for maintenance. (See Discipline, paragraph 806 (3)).
3. The pastor of a charge failing to pay as much or more on ministerial support, or as much or more on benevolent acceptances, than was paid the previous year, shall not be eligible for aid from this Fund, unless the Minimum Salary Fund Committee be convinced on written representation of the District Superintendent that an exception should be made.
4. All claimants on this Fund must be giving full time to the ministry. This does not apply to ministerial students serving as supply pastors. Exceptions can be made only upon written recommendation of the District Superintendent and approved by the Minimum Salary Fund Committee.
5. A pastor whose charge pays less than \$600.00 on salary shall not be eligible for any Minimum Salary funds.
6. The Minimum Salary Fund shall be raised as follows:
 - A. Apportionment to each pastoral charge of an amount equal to one per cent of the pastor's cash salary.

- B. Apportionment to each pastor of an amount equal to one per cent of his cash salary.
- C. The percentage of income allowed from Conference Benevolences.
7. At the beginning of a Conference Year, the Minimum Salary Fund should have a balance large enough to meet the estimated claims for that year.

PENSION FUNDS, INCORPORATED

April 30, 1951

Pension Funds, Incorporated is charged with the grave responsibility of promoting and directing the total pension program for the West Virginia Conference.

Your Executive Secretary has occupied more than one hundred pulpits during the past year in order that he might tell the people of the situation in which our two hundred and ninety-one claimants now find themselves under the existing low rate of \$23.00 per year of service. In addition, the story of the unfortunate plight of many of our claimants has been carried into the homes of our conference as well as to individuals in places of business. Invariably the response has been warm, sympathetic and generous. A grateful West Virginia Methodism is taking a renewed interest in those men who finished their active careers in the ministry when the work was heavy and the salary was light and many of whom have now come to old age and penury.

Our great Church will not be daunted by the gigantic problem faced by our retired men because of the rising cost of living—the highest in our nation's history—and the dearth of funds with which to meet this problem. Loyal fellow Methodists are becoming aware that when sixty-four conferences around them pay a higher rate to claimants than does West Virginia, and when forty-eight conferences pay a higher percentage on the pastor's salary to claimants, then the West Virginia Conference must also meet the challenge. The hour is late and we dare not fail to provide the spiritual and material encouragement to this cause in which the crying needs of our retired ministers and their dependents can surely be met.

Let us take stock herewith of our liabilities and assets; the needs of our claimants and the resources at our command with which these needs may be met.

The budget for the promotion of the pension program for 1950-51 was \$10,860.00. The fact that the program was turned over to a new executive secretary at the beginning of the year necessitated a change in some items. An overlapping period at the outset, during which two secretaries were employed, caused an increase in expenditures of certain items listed below.

Salary of Executive Secretaries	\$ 5,344.41
Office Assistance	621.16
Travel, Executive Secretary	1,404.34
Travel, Corporation	637.93
Rent, Executive Secretary	1,200.00
Insurance and Bonds	62.50
Telephone	245.37
Postage	76.75
Printing	576.17
Miscellaneous Office Expense	213.13
Treasurer's Expense	300.00

TOTAL \$10,681.76

Reserve Pension Fund

It must not be forgotten that every church is expected to pay its pledge to the Reserve Pension Fund. To fail in this would not only mean that the burden of our retired men would be increased, but also that only a part of our churches had shared equally in our worthy objective. Every charge in the Lewisburg District has paid its pledge in full, some overpaying. This serves as an inspiration to other districts.

During the year not a single church has repudiated its pledge. In every Official Board assembly before which your Executive Secretary has appeared to explain the need for immediate payment of these pledges, there has been not one negative vote to delay action.

We are now only \$54,499.13 short of our Million-Dollar goal. With enthusiastic cooperation we can find ourselves at the end of the next conference year paid in full. During the past twelve months since April 30, 1950, \$34,690.47 has been paid on these pledges. A total of \$946,175.79 has been paid to April 30, 1951, as follows:

COMMITTEE ON RESOLUTIONS

May we express our lasting gratitude for the numberless courtesies and kindnesses that have been ours as an Annual Conference during these past days. While this marks the thirteenth United Session of the West Virginia Annual Conference we have passed through to glorious climax without fear or superstition. The next few moments will assign this gathering to the forgetful arms of memory and yet there are portions of these past days that will remain forever bright in the treasure house of things unforgettable. One can scarcely escape the feeling that history has been recorded in our presence here this afternoon in seeing seventy-eight men received into the Conference On Trial or Ordained as Deacons and Elders. This hour will stand as a monument to the living faith and the answered prayers of countless pastors, laymen and parents.

It is our desire to thank the Local Committees for their careful planning and splendid execution of a very full program. The General Chairman Dr. Alfred E. Bennett; the program Chairman Dr. Joseph C. Hoffman; the work of Rev. S. A. F. Wagner, who took over the Chairmanship of the Committee on Arrangements after the illness of Dr. Lacy Burns; and for the faithful help of Brother Carl K. Gilchrist who took many valuable hours to act as Conference Treasurer. In addition we desire to thank the special efforts of two Secretaries who labored unseen long hours to type and record the voluminous records of this gathering, Mrs. Garnet Baird, and Mrs. John Mansfield.

We are in debt to our speakers the Honorable Brooks Hays, member of Congress from the State of Arkansas; Dr. Hornell Hart from the Department of Sociology of Duke University of Platform Speaker; Dr. Ralph Sockman, minister of Christ Church, New York City; and to Dr. Charles C. Noble, Dean of Hendricks Memorial Chapel, Syracuse University.

We would like to extend our gratitude to include the unselfish gifts and services such as the Woodrum Home Outfitting Co., the Young Floral Co., the Clutter Typewriter Co., Diamond Department Store, for kindnesses beyond that required by ordinary hospitality. In addition we wish to thank our local churches for their cooperation in opening their doors to banquets, special services and additional meetings, as well as, bringing furnishings and assistants to make this week operate with precision and comfort. We wish to thank our mail man D. H. Alexander, George C. Pask and his assistants from the Methodist Publishing House in Pittsburgh, the splendid presentation of the Board of Home Missions and Church Extension by Dr. Earl R. Brown, Dr. W. Vernon Middleton and Dr. Jesse A. Engle, all Executive Secretaries of that Board.

We would also like to thank the City of Charleston for its fine hospitality, and the availability of the Municipal Auditorium for this great gathering. Our size makes it difficult to entertain us but Charles-

ton has been indulgent and patient. Methodist people the State over have come to like Charleston, it's pastors, Churches and laymen.

In closing we desire to express our thanks to our Resident Bishop Lloyd C. Wicke for his leadership. It is most gratifying to sit under the administration of a Bishop that knows practically every man, clergy or layman by name and church. We feel that he brings to the chair a brotherly and democratic spirit that has lost none of its early humility and brotherly affection. It is our hope that as the West Virginia Conference grows in numerical strength, in spiritual vitality and evangelistic zeal that God will bless our Bishop and his family with continued strength to serve the growing needs of the Pittsburgh Area and the Kingdom of God.

REPORT OF THE BOARD OF TEMPERANCE

We reiterate the stand of our church as set forth in the Discipline as follows: "The church of Jesus Christ from its very nature stands at variance with the liquor traffic. For it to be silent in its opposition would be to be disloyal in its function. Therefore to be true to itself the church of Christ must be militant."

A few years ago Professor Sorokin of Harvard University issued the statement that in his judgment we would reach a larger wave of moral instability and general debauchery of character before there would be a move of the pendulum in the other direction. We believe that in the West Virginia Annual Conference that the latter part of this statement is beginning to transpire. In two striking cases your board is able this year to point out specifically such instances. The outcome of a third case is yet to be seen.

(1) The appointment of District Temperance Secretaries for the past conference year was a decided success, in that your Board was represented in almost every district of the conference by a consecrated man to represent the cause of temperance in the district meetings and in other meetings of the people. To these men who had very little directive in this experiment during the past year we express our appreciation and pledge that during the coming year, after our objectives have been more clearly set up, we shall be with them to a greater extent than was possible under the previous program of the board. (Names of District Secretaries listed elsewhere.)

(2) The Board of Temperance listed two major accomplishments during the past year, the second being that of our use of visual aids. The picture, "Power of Decision," was shown throughout the conference with great success. The Board asked that an offering be taken where and whenever the picture was shown. Our lease expires in February and there are open dates for any church who wishes to schedule it after June 10th. Where the picture was shown and the offerings received to May 1 were as follows:

First Methodist Church, Huntington
Spruce Street Church, Morgantown

Memorial Methodist, Spencer	Offering	\$ 5.00
Andrews, Grafton		
First Church, Keyser	Offering	\$10.00
Belington	Offering	\$ 6.00
Clendennin	Offering	\$ 4.20
Parsons First	Offering	\$ 5.00
Gauley Bridge	Offering	\$ 7.84

Due to the time it takes to travel from various points of the state to other points, the picture is scheduled for week apart showings and this of course is the weakest point of the program. Sometimes when a church fails to show the movie as scheduled or doesn't send it immediately, disappointment results. This of course is unfortunate and the Board regrets such an event.

(3) For the first time this year the Board of Temperance will offer a course during Christian Worker's School, July 16-21 at the West Virginia Wesleyan College. Dr. Deets Pickett, National authority on temperance will teach a course on "Alcohol Education." It is hoped that every church will send a representative to this fine school this year and that local Committees of Temperance will attend this class. We express our gratitude to the Board of Education for its accent on alcohol education in the various assemblies and camps and for its fine cooperation with our Board.

Regarding its future program, the Board of Temperance wishes to request that our Bishop and Cabinet in selecting the representatives on the Board of Temperance, shall nominate and elect as far as possible, lay members who are interested in the work of Temperance. One of the weaknesses of our Board during the past year has been the lack of cooperation on the part of lay members whose names have been placed on the board year after year, some of whom have never been located, none of which have attended a meeting of the Board during the past three years. Should there be any question regarding selection of these lay members, we believe that our District Secretaries can offer suggestions and will be glad to do so.

We wish to thank Rev. L. J. Priestley, Superintendent of the West Virginia Temperance League for his help and interest and to commend both he and his staff for their noble work in the past meeting of the State Legislature. We urge our local churches to continue their cooperation with this fine body. We believe however that our Board should be represented on the Board of Trustees of the Temperance League of West Virginia, in order to obtain the greatest cooperation between the Board of Temperance and the League. At present, our Board does not have a single member on this Board of Trustees. This of course to be done only if it is the will of the Annual Conference.

We have accomplished a great many things this year, but we have yet the necessity of convincing some of our critical brothers in the ministry that we are not "hatchet wielders," or "dry cranks," but that we are advocating a program of education and temperance which has for its purpose the salvation of the souls of men.

Signed:

REPORT OF COMMISSION OF TOWN AND COUNTRY WORK

The Commission of Town and Country Work of this Annual Conference seeks a new lease upon life and opportunity to serve. In our Church and Annual Conference, where rural life is such a large and vital part, we believe there is a real place for a Body to deal more specifically with that life and work. Therefore it asks the understanding, guidance, and support of the Conference. It has met for organization, survey of work, and council.

As an immediate activity, it calls to attention a Church-wide event of significance for this work, namely—The National Methodist Conference On Town and Country Work, which will meet at Sioux City, Iowa, July 21 - 24, 1951. To this open Conference, each Annual Conference is asked to send a Delegation. Such is now in process of formation. Boards and agencies of this Conference are entitled to representation. Other persons in strategic positions are to be selected. Participation in this by Conference Boards and Agencies is indicated. Others are to be reported.

During the conference year, the Commission purposes to come to a greater understanding of and commitment to the work for which it was formed, and to seek a developing service to this vital phase of Methodist Responsibility.

As the Discipline provides, Par. 1232 (4), to "Promote the plans and policies of this Commission", It desires The Bishop to appoint Dr. J. Hugh Cummings to the position of Secretary of Town and Country Work in this Conference.

Respectfully submitted,

T. R. RECTOR, Chrm.

COMMITTEE ON WORLD PEACE

We your Committee on World Peace of the West Virginia annual Conference of the Methodist Church, submit the following report and resolutions:

I. The Church and War.

The Christian church cannot remain indifferent in the present world situation, or at any other time, when grave matters confront the peoples of the world. We should therefore arrive at conclusive convictions and speak those convictions with courage and clarity.

WHEREAS we are faced with the threat of another world war, which if it should come to realization, would involve all humanity in misery and mass destruction, we call upon our government to use every honorable and reasonable means to avoid such, and to cooperate with other nations to secure the peace of the world.

BE IT RESOLVED that we call upon the President of the United States, the Congress, both major political parties, and their delegated representatives, to cooperate in a spirit of mutual trust and understanding in the prosecution of the war in Asia, and in our entire foreign policy. We are all Americans, with a common aim, and cannot afford to be divided, making a political foot-ball out of such grave issues, while our casualty list mounts higher and higher, and the threat of world war faces us.

BE IT RESOLVED that we are absolutely opposed to *Universal Military Training*, or any other effort to make military training a permanent program in our national life. We believe that such a permanent military program would endanger the achievement of peace; that it would jeopardize freedom and democracy; that the placing of all young men in the abnormal atmosphere of training camps morally dangerous. We deplore the efforts of military propagandists in their incessant endeavor to subtly slip through Universal Military legislation under the guise of emergency measures.

BE IT RESOLVED that we are strongly opposed to the *Conscription of 18 year old boys for military service*. We do not believe such conscriptions necessary. There are plenty of older youths to draw upon if needed. Boys at the age of 18, or even 19, are not completely matured. The President's Commission on Military service recognized this fact in their report which we quote: "We must admit at once that a serious moral problem is presented by the removal of an 18 year old boy from the normal influences of home, church, school, and local community and his comparative isolation in a camp with large numbers of older men, under an entirely new and different environment." We must also consider that boys at this age have not finished their education, most of them in college, vocational school, or beginning some apprenticeship in life, from which they should not be deprived until completed. Such systems of conscription was used in Germany, Japan, and is being used in Russia today. We need no such military juggernaut in peace-loving America.

BE IT FURTHER RESOLVED that we abhor the use of the *Atomic Bomb, the Hydrogen Bomb*, and such diabolical instruments of destruction. We call upon our government to only make use of these instruments if we are attacked by such, and then only upon enemy military centers, or where their use would be the only defense against enemy invasion or destruction. We urge our government to cooperate with other nations in the out-lawing of such weapons of destruction.

In view of the war hysteria and the many conflicting opinions as to the situation in the world today, we petition our government to set up some kind of fact-finding commission, similar to the Kefauver Crime Commission, to make a careful and through study of the entire situation that the public may know the truth, and that a united policy of procedure can be followed.

II. The Church and Peace.

WHEREAS *peace rather than war* is the goal of the church, we call upon our people, ministers and lay people alike, to review again and again, the *General Statement on World Peace*, adopted by the General Conference of 1948, as stated in Paragraph 2025 of the Discipline of 1948. It is our duty and responsibility to create the will for peace, and to diligently and persistently work for that which creates peace.

We must emphasize the Gospel of Christ as the hope of personal and international peace. We must preach and live the Fatherhood of God and the brotherhood of all mankind, cooperating with every movement in the world seeking that common goal.

BE IT RESOLVED that we make the General Statement of the General Conference of 1948 the basis of sermons, study, and teaching, and the basic principles of our peace creed. We suggest that ministers preach peace sermons on Armistice Day (Nov. 11th) and United

Nations Day (Oct. 24th) and such other times as offers the opportunity. That our Quarterly Conference Committees on World Peace, cooperate with other groups in visual aids, study forums, dramas, distributing of peace literature, and other means of informing our people and creating the will for peace the world round.

BE IT RESOLVED that we call upon our government to use every honorable means of avoiding war, and to cooperate with the *UNITED NATIONS* in securing the peace of the world. We believe the United Nations organization, withstanding imperfections and the need of changes, to provide the technique for the peaceful settlement of disputes, and should be given support and encouragement by the American people. We recommend that the churches give wider study to the structure of the U. N. organization, with confidence in its potential usefulness, and the undergirding of its delegates with prayer and moral support in their efforts to create a functioning international organization of peace and justice. It took years of painstaking effort to weld the American colonies into a strong union of United States, and a civil war to test the strength of that union, but it stands as an everlasting monument to the courage, determination, patience, and prayers of the American people. It may take years to formulate the United Nations into a strong union of peace and justice for all peoples of the world, but with similar courage, determination, patience and prayer, we believe it can be made to work.

The Christian church has a divine obligation to witness with prophetic vigor to God's righteous love for all mankind, and to support positive steps which give evidence of reality to Christian world fellowship. We call upon our people to pray and work for peace in every possible way; to try to understand the peoples of the world; study the true causes of war, trying to prevent war by removing the causes; and, in the language of St Paul, "Let us therefore follow after the things which make for peace, and things wherewith one may edify another." Romans 14:19.

We recommend that a copy of these resolutions be sent to the President of the United States; a copy to each congressman and senator of our state; and a copy to the chairman of the United States Committee on Foreign Relations.

Respectfully submitted,

E. L. LOWERY, Chairman

W. R. ESKEW, Secretary.

VII. MEMOIRS

ULYSSESS SIMPSON GRANT ALLEN

The Rev. U. S. G. Allen was born in 1878 in Kentucky and his body was returned to its native soil, May 21, 1951. The final service was conducted at his home church, Centenary in Ashland. Ministers taking part in the service were: The pastor, Rev. O. U. Kays, Rev. T. J. Hopson of West Virginia Conference, Dr. Homer Moore, Maysville, Ky., and O. P. Smith, Catlettsburg, Ky. Military honors were given him at the Ashland Cemetery by his comrades in arms. He had served as a minister in the Methodist Church since 1910 and during the Spanish American War he served with the U. S. Army. He was married to Nancy Belle Booth in 1899 who walked with him through sunshine and shadow over the hills of West Virginia and Kentucky to the final taps. The shadows were deep at times; one son, James, was killed in action in Italy in 1943, and John and Wayne soon joined their brother in the bivouac of the dead. However, Mrs. Ruby Neely, Mrs. B. T. O'Gorman, Mrs. Virginia Edwards and Earl E. Allen remain to comfort their Mother. From 1910 until his retirement in 1935, Brother Allen served East Lynn, Glenwood, Creston, South Portsmouth, Charleston Circuit, Man, Long Branch, Burnsville, Cowen, East Bank, Earling, Itmann, Winding Gulf, Lookout, Nallen, Poca, Reedy, Reeder, Garrison, Sandyville and Grassland.

*"Until we meet again before His throne,
Clothed in the spotless robes He gives His own,
Until we know even as we are known,
Goodnight!"*

—John W. Hollister.

REV. ERNEST GROVER BAILES

Rev. Ernest Grover Bailes was born October 12, 1899 in Nicholas County, W. Va., the son of Granville and Camilla McCutcheon Bailes. He died March 12, 1951 in the parsonage of the Avery Methodist Church, Morgantown, W. Va.

Brother Bailes was received on trial in 1924 by the Western Virginia Conference of the Methodist Episcopal Church South, and in 1926 he was received into full membership in the Conference. Since 1924 he has served the church as a pastor, except for one year in which he had the supernumerary relation. His most recent charges include Reader, Boothsville, Monongalia, Morgantown, Davy, Lerona and Avery.

His health had not been good for several years but he had been able to carry on his work faithfully until four months before his death.

Funeral services were held for Brother Bailes at the Avery Church of which he was pastor at the time of his death. Dr. William

E. Craig, superintendent of the Fairmont District, conducted the service, assisted by Durward B. Brown. The next day another service, was held at Downtain Church, Nettie, W. Va. This was the church of his boyhood and from which he had entered the ministry. This service was conducted by H. W. Ware, assisted by L. A. Dorsey. Burial was in the Downtain Church Cemetery.

He is survived by his mother, Mrs. Camilla M. Bailes; his widow, Mrs. Inez Bailey Bailes, and four sons and daughters. They are, Keith W. Bailes of Clarksburg, W. Va., Mrs. Alma Parsons, Fairmont, W. Va., E. Kyle Bailes, student of W. Va., University, and Vera Faye Bailes at home.

Brother Bailes had committed himself with sincerity and devotion to the Methodist ministry. He loved the church and sought to carry out its program. He had accepted the Christian faith and life in his youth. To this he was faithful through the years.

He was loyal to his friends and he received much satisfaction from fellowship with his friends, both laymen and ministers. The work of the church prospered under his ministry, and his people appreciated him for the spirit with which he served them.

He sought to live the gospel he preached. Surely he has heard the message; "Well done, good and faithful servant. Enter thou into the joy of thy Lord."

WILLIAM B. CORDER

W. B. Corder was born at Moorefield, W. Va., January 23, 1879, and entered the Western Virginia Conference of the Methodist Episcopal Church, South in 1900. During his forty-six years of ministry he preached and sang his way into the hearts of the people at Centenary, Ashland, Ky., Clarksburg, St. Paul's, Guyandotte, St. Albans, Central; Huntington, Richwood, Gassaway, Madison, Ravenswood, Point Pleasant, East Bank and he retired from Reynolds Memorial, Marmet in 1940. He received his college work at Morris-Harvey College and Vanderbilt University. In 1906 he was married to Miss Rhoda Campbell. Their children, Wilbur, Marie and Robert were present at the funeral service in the Centenary Church, Ashland, Ky., July 1, 1950 to comfort their Mother. The Service was conducted by his fellow ministers; Frank C. King, T. J. Hopson, Oney U. Kays and U. S. G. Allen.

'Even death could not change his smile.

—John W. Hollister.

JOHN WESLEY DAWSON

The Rev. John Wesley Dawson, son of John Dawson, was born November 13, 1872 in Pike County, Kentucky. He died at the family

residence, 1400 Grand Central Avenue, Vienna, West Virginia, January 22, 1951.

Rev. J. W. Dawson joined the West Virginia Conference of the Methodist Episcopal Church in 1901 and served faithfully and effectively for forty years. Among the many charges served by him were: Richwood First Church, Sistersville, Cameron, Oakland, and St. Marys. For many years he was a member of the Board of Ministerial Training.

Although he retired from the "effective" ranks several years ago, his interest in the work of the church never waned. Like the Master, "He went about doing good," visiting the sick, preaching often at Wayside Church and other churches. He attended the Sunday School and worship services with unfailing faithfulness. He was a retired minister who was a blessing to the people of his church and to his pastor.

Rev. Dawson is survived by his widow, Mrs. Arnette Thompson Dawson, and four children; Mrs. Forrest Bachtel, Middleport, Ohio; Mrs. Thelma Howard, Clarksburg; Mrs. W. W. Diehl, now in Tokyo, Japan; and Arthur Dawson, Martin's Ferry, Ohio.

The funeral service was held in the Wayside Methodist Church, January 25, with the Rev. Alva T. Stewart, pastor of the church officiating. Interment was in the I.O.O.F. Cemetery, Parkersburg, West Virginia.

—Rev. A. T. Stewart.

H T. HEIRONIMUS

The Rev. H. T. Heironimus was born in Boomer, W. Va., and was a member of the West Virginia Conference of the Methodist Church. His funeral was conducted by Rev. J. R. Parker in the Wilmore Methodist Church, and his body was laid to rest in the Wilmore Cemetery.

He lived a long, active, consecrated and a remarkably useful life. He served as a successful pastor and for many years as an effective evangelist. Thousands were brought into the fellowship of the church through his ministry. He was a real saint of God, a valiant soldier of the cross.

FERDINAND TIMBELL KELLY

Reverend Ferdinand Timbell Kelly, born in Jackson County near Ripley, W. Va., July 10, 1870, son of Jackson Kelly. Converted at an early age he joined the Methodist Protestant Church. He was married to Mordicia Elvira Hinzman October 31, 1890.

Early in his life he became a Methodist minister, and served his people many years, retiring in the year 1937. Reverend Kelly passed

away January 25, 1951, at the age of eighty years. He is survived by one half-sister, Mrs. Metlie Winters of Poca, W. Va. Two granddaughters, and three great-grand-children. He was preceeded in death by his wife September 6, 1949, and a foster-son, Okey Lester Kelly, June 21, 1938. Two brothers also preceeded him in death, both were Methodist ministers. He was buried at Fairview I.O.O.F. cemetery, Hackett Creek, Lewis Co., beside his wife. His funeral was conducted by Dr. Wm. E. Craig, his District Superintendent.

Reverend Kelly was known by the writer, and in all my acquaintances I have never known a more humble person. He was congenial in his associations, and tender and kind in his estimate of his fellow-men. He was an ardent supporter of the Methodist Church, which he loved. In his earlier days, in Flemington, he brought joy to many hearts with his singing, and his fervent messages of the gospel of Jesus Christ. He was regularly in his place at the Flemington Church whenever his health permitted. We miss him. But we know that our loss is his gain. And the Father's house is more to be desired because of his contribution there.

—Nolan G. Sansom

LUCIAN PAYNE KIRK

Lucian Payne Kirk was born in Wayne County, West Virginia, February 18, 1880. On June 12, 1898 he married Miss Etta Hopson. He joined the Conference in 1923 and served the following points before his health forced retirement: Scarbro, Harvey, Glen Jean, Cedar Grove, Grace, Fallsburg, Ky., and Accotaville. The following children and his wife survive him: Roberta, Nell Starbuck, Howard, Gladys Perry and Delena May. Since his retirement he lived in St. Albans until March 8, 1951 when death released him from a tired body. His old friend, C. D. Lear was assisted at the burial by Roy L. Mallory and Winton Robert Houck.

—John W. Hollister.

JAMES E. LUTZ

James E. Lutz was born at Beaver Falls, Pa., December 31, 1899 and departed this life August 19, 1950 at Parkersburg, W. Va. He graduated from the Geneva College, Beaver Falls, Pa., and Drew Theological Seminary. While a student in Drew his scholarship was such that he was awarded the coveted Hebrew Scholarship for Study in Scotland. His study at the University of Glasgow was one of the happiest periods of his life. While a student there he met and married Martha Margaret Munn. To this union four children were born, three of whom survive; Mrs. O. T. Unger, of Alliance, Ohio, Roger and Emily at home.

For twenty-five years Rev. James E. Lutz served pastorates in

the Pittsburgh Conference. He was transferred to the West Virginia Conference in June, 1950 and was appointed to the Bethany Church in the Parkersburg District. There he was much loved by his people and while his health was such that he was seldom without pain, it was one of the happiest periods of his life. His funeral was conducted in the Bethany Church by District Superintendent Rev. George M. Curry assisted by Roy McCuskey, John L. Wolfe and Thomas M. Zumbrunnen.

His sudden going left a heartbroken family and a grieved congregation but in their hour of grief they found comfort in the unusual faith which James E. Lutz always preached and practiced.

REUBIN DAVID MARSHALL

Reubin David Marshall was born August 15, 1880 at Fabius, Hardy County, West Virginia. He was the son of Samuel and Martha Fox Marshall.

He attended school in Hardy County, and Glenville State Teachers College, and for fifteen years he taught in his native county schools.

He was converted early in life and united with the Methodist Episcopal Church, South at Fabius, West Virginia.

CHAPLAIN (CAPTAIN) SAMUEL RAYMOND SIMPSON

Chaplain Samuel Raymond Simpson is the first Methodist Minister from West Virginia to give his life on the battlefield for God and Country. He was born in Ashland, Kentucky, August 9, 1906. He attended Morris Harvey College, but was graduated at West Virginia University. He joined the Army in 1944 and received his commission as First Lieutenant in the Chaplain's Corps. He served in England and France with the 157th. Ordnance Unit. He returned to the homeland and continued on extended active duty in the Army at Camp Campbell, Ky., and Ft. Lewis, Washington. He joined the 38th. Infantry Regiment which is a part of the famed Second Infantry Division and sailed for Korea as a part of the first United Nations Army. He served so courageously that he was decorated with the Bronze Star Medal and his final wound gave him the Purple Heart decoration. His Commanding Officer says: "Throughout the operations of this regiment in Korea, Chaplain Simpson has rendered superior service. By his example of loyalty, devotion to duty and selfless interest in the welfare of every member of this command, he has contributed materially to the high standard of morale of the regiment and has earned the admiration and respect of all personnel". On November 30, 1950, a sniper's bullet sent him on the "Eternal Mission" beyond the frost, mud, hunger, blood and fear of a battlefield to a well earned rest in the "Land of Beginning Again." His body rests in an unknown grave in Korea but his spirit challenges the best in Church and State. He served in civilian pastorates at Catlettsburg, Belington, Burlington, Morgantown and Gormanian prior to his military service. His wife and thirteen year old daughter, Helen Marie, live in Catlettsburg, Kentucky.

*"We are the dead,
To you from failing hands we throw
The torch; be yours to hold it high.
If ye break faith with us who die
We shall not sleep, though poppies grow
In every field."*

—John W. Hollister.

GEORGE AMI BOMBOY

George Ami Bomboy was born September 30, 1892 in North-amberland County, Pennsylvania and departed this life October 18, 1950 at Bayard, West Virginia. He was the son of John and Alice

Rolins Bomboy. He received his early education in the Public Schools of the State of Pennsylvania.

He was converted in a street meeting of the Salvation Army and became active in the work of this organization while working in the steel mills near the town of Milton, Pennsylvania; later he felt the call to preach and went into full time service, taking the required College work in one of the College's of the Army.

He received his Commission as a fully commissioned officer in the year 1921. He held this Commission until 1930, when he was forced to resign because of the health of one of the children.

Brother Bomboy was married three times, first to Miss Edith Ranck, November 8, 1910, and to this union were born two children, Leon R. and George S. Bomboy, and on March 30, 1922 this Mrs. Bomboy passed into the great beyond. Brother Bomboy married Miss Mollie Davidson August 1924, her death came April 29, 1925. His third wife was the former Miss Iris Yeakley, July 26, 1928 and to this union were born two children, Cora Alice and John D. Bomboy.

Though he had been forced to leave the active ministry he was never able to feel at ease out of the work and in January 1948 he again entered the full time work of his Lord and Master, taking charge of Kitsmiller Charge in the Moorefield District of the West Virginia Conference by the appointment of the District Superintendent Fred B. Wyand, and served this Charge until his health failed and he was forced to give up his work at the Annual Conference in June 1950.

A more consecrated man I have not known and in the words of Charles Wesley:

*Servant of God well done!
Thy Glorious Warfare's past;
The battle's fought, the race is won;
And thou are Crowned at last.*

Funeral services were conducted from the United Brethren Church at Bayard, West Virginia on Friday morning October 20, 1950 by his Dist., Supt., Rev. Ross Linger, assisted by his pastor, Rev. W. E. Wade and James E. Hodges.

Burial was in the family plot at Milton, Pennsylvania. He is survived by his wife, Mrs. Iris Bomboy, three sons and one daughter; also two brothers and one sister.

FRANZ LAYLIN CASTO

Rev. Franz Laylin Casto was born March 4, 1902 at Wheeler, W. Va., the son of Jefferson and Mary Veith Casto. He received his

education in the public schools of Webster County and there met and married Audrey Mae Kelley, December 25, 1923. To this union were born ten children, nine of whom survive him.

Although Brother Casto became a member of the Methodist Church at a very early age it was only a little over six years ago that he felt his call to the Christian ministry. He responded to that call and in 1944 was appointed to the pastorate of the St. George charge in the Moorefield District. Here for five years he labored faithfully for his Lord and the church. In the fall of 1949 he was appointed to serve the Circleville charge in the same district. Here he continued to serve until his decease, May 29, 1951. Save for a few weeks spent in the Rockingham Memorial Hospital at Harrisonburg, Virginia he had been active in the work of the church to the time of his passing.

The spirit which made him a kind, helpful companion and father was the same spirit which won the esteem of those to whom he ministered. It was this ministry, brief though it was, that leaves so many among whom he served voicing in their memories of him the words of the poet:

*"The blessings of his quiet life
Fell on us like the dew:
And good thoughts where his footsteps passed
Like fairy blossoms grew.*

REV. JOHN W. FUNK

Rev. John W. Funk, affectionately known to his many friends as "Johnnie," a minister in the Methodist Church for over sixty years, was called to his Heavenly Home March 8, 1951. A local Elder in the former Methodist Episcopal, for many years he served as Accepted Supply pastor of charges in Parsons, West Union, Fellowsville, and other localities. He had been retired for some years.

Rev. Funk was born in 1862 near Fellowsville, W. Va., the son of Joseph and Barbara Ellen Knotts Funk. His wife Levina Shahan Funk and son Durward preceeded him in death. He is survived by his only daughter, Mrs. Ethel Runner of Baltimore, Maryland; one brother, Nathaniel of Rowlesburg; and two sisters, Mrs. Jannie Mitter of Newburg and Mrs. Martha Bolyard of Fellowsville.

Rev. Funk, after a brief illness, died in the Grafton City Hospital. Funeral services were conducted at the Mt. Israel Methodist Church by the Rev. Clyde Ash of Andrews Methodist Church in Grafton, and interment was in the Mt. Israel Cemetery.

CHARLES WESLEY MILEM

Charles Wesley Milem, Accepted Supply, retired, was born March 1, 1877, near Paintsville, Kentucky. He was married to Miss Ann

Litteral in 1905, who survives him. In 1907 he was converted and became an Accepted Supply in 1913. During his fifteen years of service he was pastor at Hewette, Quick, Uniontown, Fenwick, Uppertract, Circleville and Eagle Rock. Since his retirement in 1928 he has been a loyal faithful member of the Marmet Church. George Frank Plybon, his pastor, was assisted by the District Superintendent in the funeral at Marmet, March 24, 1951. His body rests at the Cunningham Memorial Park, St. Albans, W. Va.

MRS. F. S. POLLITT

Mrs. Shirley Tucker Pollitt was born at Dry Ridge, Grant County, Kentucky, on September 2, 1873. She was the daughter of George W. and Lucia A. Tucker.

Mrs. Pollitt was educated at Mary Baldwin Seminary, Staunton, Virginia and Millersburg Female College, Millersburg, Kentucky. For several years after finishing her formal education, she tutored a small group of select students in the home of a Mr. Burnside in Somerset, Kentucky.

When she was twenty-eight years of age, she married the Rev. Mr. F. S. Pollitt, then Presiding Elder of the Covington District of the Kentucky Conference of the Methodist Episcopal Church South. The Rev. Mr. Pollitt was a widower with two small children: Basil H. and Daisy Florence Pollitt. She devoted a good deal of her time to the rearing of these two children and a deep bond of affection always existed between these two children and Mrs. Pollitt. To this union were born two children: Georgia Tucker and Ruth. Georgia Tucker died in infancy and Ruth is now Mrs. Polly P. McGavack of Charlottesville, Virginia.

Mrs. Pollitt was a deeply religious woman and a perfect minister's wife. She entered into the activities in which her husband was engaged, and was very well known for her devotion to Sunday School and Missionary work throughout the Conference in which her husband served as a minister.

Mrs. Pollitt was well read, particularly in the religious field and this fact contributed to her success as a public speaker. Illness and infirmities of old age compelled her to limit her activities, however her interest in the work of the Kingdom never waned. She died October 11, 1950. May she rest in peace and enjoy divine life everlasting.

—Basil H. Pollitt

ELIZABETH MOORE HAMMOND

Elizabeth Moore Hammond was born at Marion, Wetzel County, West Virginia, March 4, 1860, daughter of William and Louisa

Moore. She was married April 24, 1885 to Rev. Armor Milford Hammond at Greenfield, Missouri where he was serving in the Missouri Conference of the Methodist Episcopal Church. As a minister's wife she served faithfully both in the church and in the community, always sharing her interest and her help. After her husband's death she continued her interest in the work of the West Virginia Conference and her zeal for the progress of the Kingdom never waned.

Mrs. Hammond died March 30, 1951, and her funeral was conducted in Morgantown Monday, April 2, 1951, with her pastor, Dr. T. Leroy Hooper in charge, assisted by Dr. William E. Craig, superintendent, and Dr. A. Coleman Brown of Fairmont, W. Va.

Mrs. Workman shared the joys and responsibilities of the work of the Kingdom with her husband while he was pastor on the following charges: New Hope, Dillon, Earling-Ethel, and Lundale-Lorado. They were married November 12, 1936.

Besides her husband, she is survived by two children, James Ray, 12, and Elizabeth Ruth, 2.

The funeral service was conducted in the Lorado Church Sept. 5, by the district superintendent, Dr. J. M. Helm, and with Rev. J. W. Thomas and Rev. J. A. Wilson assisting. Interment followed at the Forest Lawn cemetery, Logan, W. Va.

ADA VIRTIS VINSON

Ada Virts Vinson was born in Loudon County, Virginia, November 30, 1868. Her family came to live in Parkersburg, West Virginia, when she was a small child so that the greater part of her life was spent in that city.

Her character was formed under the influence of a godly father and mother in a Christian home.

Twenty-three years of the best part of her life, were spent as a teacher in the public schools of Parkersburg. God had endowed her with a gift for reaching the hearts and lives of young people. Many are the men and women whose lives have been patterned after the principles of honesty and integrity that she instilled in their thinking.

Many hours of her life were given to the training of the small children in her own church school. Other offices of responsibility in her local and conference church organization, were efficiently and

joyously filled. Her life of Christian service reached, what to her was a royal position, when she became the wife of a Methodist minister, Rev. John L. Vinson. For twenty-three years she was his partner in the fullest meaning of that word. Here again her tact and gift of reaching young people, were fully used and appreciated.

In many towns of our state are more men and women whose lives have been channeled into good citizenship and Christian service under the influence of her personality and teachings.

After her husband's death in 1935 she came back to live in her old home at Parkersburg and slipped into her heavenly home from there, Oct. 12, 1950.

*The blessing of her quiet life
Fell on us like the dew.
And good thoughts, where her footsteps pressed
Like fairy blossoms grew.
Fold her, O Father, in Thine arms
And let her henceforth be
A messenger of love between,
Our human hearts and Thee.*

MRS. O. F. (EDITH STONE) WILLIAMS

Sunday, June 3, 1951 saw the end of the earthly life of Mrs. O. F. Williams, widow of Dr. O. F. Williams, long-time Presiding Elder of the Methodist Episcopal Church, South. Never a public speaker, or leader in an active sense, Mrs. Williams saw fit to spend most of her eighty-seven years supporting the efforts of her family and loved ones in their professional lives.

Her young girlhood was spent in the service of her Master at Wesley Chapel near Parkersburg, W. Va. As was often true of small rural churches leadership at Wesley was often the duty of the women of the church. There she served as superintendent of the Sunday School for a period of time. It was to that church that her husband-to-be came as a boy pastor to his first church.

Their life together was a busy one and rather different from that of the average minister and his wife. From 1911 until the September before his death in January 1936 he served his Church as a presiding elder for a period of twenty-five consecutive years, a record which was unsurpassed in time by any man in his denomination. During this time he was able to serve so well partly by her aid in undertaking the full responsibility of the home and family while he was away almost every week end somewhere in the district he served. She performed this duty by seeing that her girls were in the church and that her home was a worthy home for a ministerial family in which she lived a Christian life of true humility.

In the background of her husband's life was the steady, true in-

fluence of a strong Christian support which he knew he could rely upon. She truly lived through the life of her husband. After his unexpected death in 1936 in Montgomery, W. Va., she turned her life into the lives of her children, especially into the life of the daughter for whom she made a home. There was never a time in the life of that daughter during which her counsel and deep concern were not felt and freely given. Her Christian influence was continuous. When during her last illness, she ceased to ask about the affairs of her daughter and show concern for her welfare, it was apparent that she had "lost her self", as she very aptly expressed it during her illness.

Into Mrs. Williams life came two daughters, a granddaughter and a great grandson, in 1948. Her pride and interest in her granddaughter was equaled only by the feeling of her husband who lived to see her into adolescence. When her great-grandson was born, she said proudly, "There's my preacher boy." She prayed and hoped that some day he might become a minister as she had seen her husband become. If God in his wisdom sees fit to call the boy into that profession, no angel in heaven will be happier when he accepts the call than she. Who can say what the power of influence in personal living can be? God leads us in many ways to carry out his great purpose in the world. So, truly, the influence of a godly woman may live both in the lives of those who are conscious of her influence by remembering her and those who never knowing her beyond their third year of life may still feel her influence for good in their lives. Human personality is unending in its scope and power.

—E. Virginia Williams

Dear Fathers and Brethren:

We respectfully memorialize the General Conference of The Methodist Church, now in session to:

WHEREAS, audio-visual material is a great educational and inspirational method of linking local churches to their total responsibility,

THEREFORE BE IT RESOLVED that the West Virginia Annual Conference of the Methodist Church hereby memorializes the General Conference to give adequate and thorough consideration to a proper development, coordination and use of audio-visual materials both from the standpoint of the General Boards and Agencies concerned and the needs of the local churches, and at a cost not prohibitive to the smallest churches.

Dear Fathers and Brethren:

We respectfully memorialize the General Conference of the Methodist Church, now in session, as follows;

The Bluefield District of the West Virginia Annual Conference of the Methodist Church does hereby memorialize the 1952 session of the General Conference of the Methodist Church (and invites the 1951 session of the West Virginia Annual Conference in its wisdom to join in this memorial) to so amend Paragraph 356 of the 1948 Discipline as to return to a Scriptural basis, as interpreted in the New Testament, for the remarriage of divorced persons.

We pray relief from the intolerable burden of possible mal-administration because of some minister's personal judgment with reference to the remarriage of divorced persons.

We pray that the words referring to mental cruelty be entirely stricken out as being beyond the capacity of many persons to evaluate in many circumstances.

We pray that a provision be added forbidding any Methodist preacher to remarry any divorced person whose divorce decree has not been final for a period of one year.

Resolution on Andrews Church — A resolution from the Mother's Day Committee of Andrews Church, Grafton, West Virginia.

1. On May 10, 1908 The First Mother's Day service was held in this church, at the request of the founder, Miss Ann Jarvis.
2. At the General Conference, Minneapolis, Minnesota, July 1912, Judge Robinson, a delegate from this Church, introduced a resolution recognizing Miss Ann Jarvis as the founder of Mother's Day, and the second Sunday of May as Mother's Day in the Church.

We respectfully memorialize the General Conference of the Methodist Church, now in session, as follows:

Be it hereby resolved by the members of the West Virginia Annual Conference of the Methodist Church that we memorialize the General Conference of 1952 asking that some definite and adequate provision be made for the financial support of the work of the Conference Commission on Christian Vocations, so these Commissions will be insured a regular income which will enable them to undertake a year-round program of promotion and guidance in the field of church vocations within each of the Conference of our Church.

Attention is called to the fact that the General Conference, in adopting the legislation providing a Commission on Christian Vocations within each of the Conferences, directed that the constituent Boards participating in the work of the Inter-board Committee on Christian Vocations should each contribute an amount for the budget of the Interboard Committee which would be in proportion to the budgets of the several constituent boards. However, no such provision was made for financing the work of the Conference Commissions and the Conferences have not, in most cases, found it possible to make any adequate and dependable provision for financing the work of this Commission in spite of the fact that the General Conference has handed down a mandate to the Commissions to carry on certain activities which must be financed in some way. It is, therefore, requested —

That the General Conference adopt a provision in the Discipline which will direct the Conference Commissions on World Service and Finance to include the Commission on Christian Vocations in the distribution of the Conference Dollar, or direct that each of the Conference Boards, committees, commissions, societies, etc., receiving a portion of the Conference Dollar make contributions to the Commission budget proportionate to the proportion they receive from the Conference Dollar, or that some other adequate and dependable provision be made for the financing of the work of the Commission on Christian Vocations.

Submitted by the Commission on
Christian Vocations of the
West Virginia Conference.

THE OBJECTIVES of WEST VIRGINIA WESLEYAN COLLEGE

It is the purpose of West Virginia Wesleyan College to be a Christian college of liberal arts in the sense that its total program is motivated by Christian ideals and principles, and is directed toward the development of competent, cultured, Christian persons.

The College seeks to help each student, in the light of his individual abilities, interests, and needs, to become such a person by attaining the following specific objectives:

1. Ability and disposition to read the English language with understanding, and to speak and write it correctly and effectively.

2. Ability and disposition to think clearly, objectively, independently and constructively.

3. Ability and disposition to order one's own life in such fashion as to realize the highest possible degree of health and efficiency of both body and mind.

4. A broad orientation in the liberal arts, — some understanding and appreciation of the content and value of the main fields of learning and of the major problems of human life.

5. Sufficient concentration in some field, or fields, to constitute adequate preparation for graduate study or immediate entrance into some well considered vocation, such as teaching, the ministry, business, industry, etc. Through its program of testing and guidance the College undertakes to help the student to choose wisely his vocation or profession. Through its instructional program it undertakes to help him acquire the knowledge and develop the skills essential to success in his chosen field.

6. Understanding, appreciation, and experience of the Christian religion, — development and practice of a Christian philosophy of life.

7. Ability and disposition to be a good citizen, — to participate in, and assume leadership in, socially constructive organizations and activities; and to foster extension of democracy and development of a worthy cosmopolitanism.
